## THE TOWNSHIP'S NEW WEBSITE... Stay Informed, Report a Concern, and More...

On June 13, Randolph Township unveiled its new municipal website featuring: a refreshed web design, simplified website navigation, interactive technology, user-friendly platform and more.

The new website design was created with a focus on improving key elements critical to residents' online and mobile experiences to enhance township communications. Notable features include the application of bold graphics, engagement features for notifications and reporting concerns, account creation for customizable-user experiences, and streamlined content navigation and organization.

Standout features and improvements include:

- A mobile-optimized design that ensures easy navigation and interaction with content from any desktop computer, smartphone, or tablet, anytime and anywhere.
- The Alert Center functionality for time-sensitive traffic, road, and service-related topics.
- The Notify Me® Citizen Subscription feature which allows subscribers to receive multi-channel notifications about meetings, calendar events, road detours, and more.
- Simplified navigation that adheres to the Three-Click Rule, a best practice for web design that encourages fewer clicks to get to information.
- Expanded calendar access for public meetings, recreation and special events, library programs, and senior citizen programming.
- Quick connect graphic buttons for easy access to tax and utility payment programs, and recycling and garbage information.
- Direct access to "Stay Informed" communication channels which include links to Notify Me®, township social media pages, emergency communication channels, and more.
- Direct access to "Report-a-Concern" which provides the ability to directly submit concerns to township departments, and track its progress.

Randolph Township extends an invitation to explore the new website and "Stay Informed" to obtain Alerts, Events and News.

## The Township's New Emergency Notification System

The township migrated to a new emergency notification system, RAVE Alert. Utilizing Smart 9-1-1 technology, RAVE Alert delivers notifications quickly and reliably to enrolled users via telephone, email, and text. These emergency messages include notifications about severe weather, hazardous safety and utility disruptions, major traffic incidents, and more.

Individuals previously signed up for Swift 911 are automatically enrolled into RAVE and do not need to sign up again BUT are encouraged to review and update their information on the new platform to ensure accuracy.

To sign up follow these three easy steps:

1. Create a RAVE Smart 911 Profile at:  
<https://www.smart911.com/smart911/ref/reg.action?pa=randolphnj>.
2. Confirm your address and phone number.
3. Log in and manage your account dashboard by adding multiple names, addresses and phone numbers.

Stay informed and apprised of emergencies in the community with RAVE Alert.

# RANDOLPH *in brief...*

## A Message from the Mayor

Dear Randolph Residents,

Now that swimming weather has officially ended, there are more opportunities for a bike ride or stroll along the beautiful Randolph Trails. Fall will soon bring cooler weather, brilliant colorful autumn foliage, apple and pumpkin picking, and all the other harvest activities that go with it.

Another family fun activity held every fall is the Randolph Country Fair sponsored by the Randolph Rotary; plan to join your friends and neighbors on Saturday, September 23 from 11:00 am to 5:00 pm, at Veterans Community Park. This free event celebrates local businesses and organizations and features live music, food trucks, inflatables, a tricky tray, pumpkin painting, a hay ride, vendors, and other activities. The Randolph Economic Development Committee will also be presenting the annual local business awards.

The Economic Development Committee encourages Randolph residents to support their local business community by “Shopping Local” through various initiatives, including new business ribbon cuttings, business spotlights, business awards, promoting business activity via social media, and business listings on [www.randolphlocal.com](http://www.randolphlocal.com). The Economic Development Committee also maintains Randolph’s New Business Welcome Packet, providing extensive information about useful township resources, permits and fees, community demographics, important contacts, business resources, and more.

This year, one of the new initiatives is the creation of a

“Randolph Rewards” coupon booklet containing offers for goods and services provided by local businesses. The free coupon booklets will be available at the Randolph Country Fair at the Economic Development Committee booth. An easy-to-use online version of the coupon booklet will also be available via a helpful QR code, if you do not receive a booklet.

Schools are open again so please look out for our community’s most valuable assets – our children. Slow down, limit distractions while driving, watch for bicycles, and exercise extreme caution, especially around schools and bus stops. When approaching a school bus with flashing lights, come to a complete stop – do not try passing. It’s the law!

Randolph has many recreation options available to residents. To subscribe to receive information on township news, recreation, events and emergency notices, please visit the township website and click on the “Stay Informed!” button on the home page.

Please enjoy everything that Randolph has to offer!

Lou Nisivoccia  
Mayor

## From the Tax Office

### Senior Freeze Property Tax Reimbursement

This program is offered by the State of New Jersey for the current reimbursement year, 2022. The program is offered to eligible persons who were age 65 as of December 31, 2021 or if under age 65 you were receiving Social Security disability payments on December 31, 2021.

You have until October 31, 2023 to file your 2022 application. For more information you may call the Hotline at 1-800-882-6597 or log onto the State’s webpage [www.state.nj.us/treasury/taxation/ptr/](http://www.state.nj.us/treasury/taxation/ptr/).

### Year-end Penalty, Tax Sale and Shutoffs

As the year comes to a close, please be sure that your tax and water and sewer charges are up-to-date. Any 2023 open balances extending into 2024 may be subject to further action, including water & sewer shut off, tax sale, and 6% year-end penalty.

If you have any questions, please contact the tax office at 973-989-7048 or the water & sewer office at 973-989-7063.

### Online Payments for Tax and Water & Sewer Charges

For your convenience, you may pay your tax and water and sewer charges online at [www.randolphnj.org](http://www.randolphnj.org) using your checking account. Any questions, please call 973-989-7047 or 973-989-7063.

## Is Your Rental Property Lead Safe?

### New Residential Rental Law Designed to Reduce Childhood Lead Poisoning

The State of NJ passed a new law designed to prevent childhood lead poisoning by removing lead-based paint hazards from residential rental properties. The Statute requires all municipalities to adopt local ordinances that in effect requires lead inspections of certain residential rentals to make them either “Lead Safe” or “Lead Free” by July 2024. The law does not affect the sale of owner occupied residences, only the renting of residential properties.

Randolph Township Ordinance 12-23, Section 26-270, authorizing local enforcement action effective July 1, 2023, is administered by the Health Department.

If you own and rent residential property and are interested in learning more, please contact the Health Department at 973-989-7050.

**Struggling  
to pay  
your water  
or sewer bills?**

### LOW INCOME HOUSEHOLD WATER ASSISTANCE PROGRAM (LIHWAP)

Provides financial assistance to low-income households to reduce balances on residential water and wastewater bills. Benefits are paid directly to water and wastewater companies, on behalf of residential customers.

# Engineering/Water & Sewer Project Updates:

## Meadowbrook Sanitary Sewer Pump Station

The Meadowbrook Pump Station Upgrade Project had considerable delays due to equipment availability post-COVID, but is finally completed. Our great contractors at CFM Construction, Inc. continued to persevere through all of the equipment and material delays and completed the project in accordance with the design plans and specifications.

Meadowbrook Pump Station

## CCM Sanitary Sewer Pump Station

Construction has commenced on the township owned Sanitary Sewer Pump Station located on the County College of Morris (CCM) Campus, which includes the construction of a new pump station to replace the existing one. The township's contractor, Dulaine Contracting, Inc., is diligently working to have the majority of the pump station construction completed by the end of September 2023, with the new emergency generator installation slated for January 2024 due to equipment delays.

# Randolph EDC News

The fall is a great time to get out and enjoy all that Randolph Township has to offer. The Randolph Economic Development Committee (EDC) is in full swing supporting many seasonal activities.

The EDC will have a booth at the annual Country Fair on Saturday, September 23. EDC committee members will be there throughout the day to share our mission, discuss our current business support initiatives and distribute our first annual Randolph Rewards Coupon Book. We will also announce the annual Business Awards recipients, nominated and selected after a thorough vetting process that requires the business to consistently demonstrate ongoing support of the local community, hold a positive reputation in the business community and maintain ethical and responsible business practices. It will be very exciting to see who has been selected to receive this year's recognition.

Another initiative we have been working on is the community's recognition of veteran owned businesses and businesses that offer discounts to veterans. This has been a heartfelt cause and the EDC hopes to properly identify and urge support of these businesses. We are in the process of updating our "Randolph Local" online business listing to reflect a veteran owned business and/or a business that offers veteran discounts. In preparation for Veterans Day, we are working to help the local business community identify incentive opportunities to honor our local veterans.

The fall season offers great opportunities to get out and enjoy our parks, local eateries, and attend the many autumnal activities that are scheduled. The EDC is out and about sharing in these local events and we invite you to do the same.

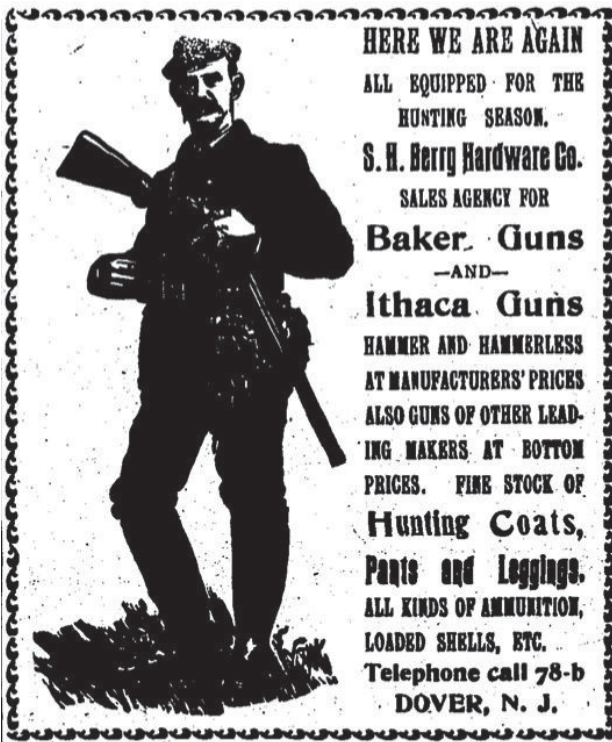

# The Historical Society of Old Randolph

Steven H. Berry and his wife Alice, of S. H. Berry Hardware Co., were originally from New York; they married in 1877 and the following year had their only child, a daughter Nellie.

The U.S. 1885 and 1895 Censuses recorded them as residents of Randolph, in the Center Grove then Mt. Fern sections of the Township, respectively.

Mr. Berry's newly constructed store on East Blackwell Street was featured in the 1893 publication, "Iron Age and Hardware, Iron and Industrial Reporter Volume 52." For those who had a proclivity for gun hunting in the fall, the S.H. Berry Hardware Company ran this special advertisement in the IRON ERA Newspaper dated October 28, 1904 (see illustration). Gun hunting season started in the fall for duck, quail, pheasant, turkey, rabbit, deer and geese, as this was the time of the year that was less of an impact on the animal population.

The more than sixty acres bordering Chester and Randolph, known today as the Woodland Club off Park Avenue, is a private sportsman's club that used to be a nudist colony from the early 1930's through the early 1960's. Area residents recalled airplanes closely buzzing the property to get an aerial view, and young boys tried to view the colony's patrons by way of the wood fence's knot holes. This area is also known as one of Randolph's many geocache locations.

# What Are These Flags in My Yard??

Surveyors place utility flags, also known as mark out flags, on properties to mark boundaries of a property or installation location and to indicate the location of utilities. The mark out flags may also be due to a proposed utility company repair or construction on a neighboring property.

New Jersey Law requires anyone digging to call at least three full business days prior to beginning work (excluding weekends and holidays); this includes excavators as well as property and homeowners' contractors. Digging activities include installation of a real estate sign, planting of landscaping, utility installation or repairs, building additions, decks, and other property improvements that require excavation.

Property marking flags include:

- Red Flag—Electric
- Yellow Flag—Gas/Oil/Steam
- Orange Flag—Communication/Cable Television (CATV)
- Blue Flag—Water (the only markout the township is responsible for)
- Pink Flag—Temporary Survey Markings
- White Flag—Proposed Excavation

The utility flags should remain on the designated properties until the proposed excavation and improvements are completed as the respective contractor is responsible for any damage to existing utilities within the excavated areas.

More information can be found at the following 811 website [www.nj1-call.org](http://www.nj1-call.org) or contact the Township Engineering Department at 973-989-7069.

# A Letter from the Superintendent

It is exciting to start off each school year with the smiling faces of staff and students who are always eager to come back to our classrooms. We are fortunate to have such an exceptional team of educators in our school community who continue to support our tradition of excellence. We look forward to supporting the academic, artistic, athletic, and extracurricular needs of our students as the 2023 – 2024 school year progresses.

Each year, every building creates its own unique theme to reinforce social, emotional, and related competencies into their school's culture. As an overarching theme that connects their themes, at this year's New Staff Orientation and our Opening Day Celebration we introduced a district theme inspired by the upcoming 2024 Olympics and Paralympics called "Randolph: Individually Unique, Together Complete." As one of the most unifying events in the world that brings three billion fans and thousands of athletes together, the Olympic and Paralympic Games teach values that we reinforce in our classrooms. Some of these competencies include leadership, teamwork, mental health awareness, self-awareness, goal setting, empathy, decision making, and many other skills that are important for the development of children. Although

our country's athletes compete individually or on smaller teams at the games, collectively these individuals' accomplishments culminate into the overall success of Team USA. In Randolph, we recognize that every child and staff member is a champion in their own way, contributing to not just their personal success, but also our community's success. We are better when we work together, and that's the message we hope to celebrate throughout the school year.

As a global event, it's important to remember that our children will one day influence the world. Our dedicated team collectively supports, educates, and mentors young people who will one day have their chance to leave a lasting impression and legacy not just locally, but also globally. I am grateful for the continued support of our staff and families. Through our partnership, we continue to ensure every child becomes the champion they are destined to be. I cannot wait to see what we will achieve together this year.

Sincerely,

Jennifer Fano  
Superintendent of Schools

# Police Department News

## Scammers Use Email, Text Messages, Phone Calls and Social Media to Steal Your Personal Information

The Randolph Township Police Department continues to warn residents about email, text, phone and social media scams. Typically, scammers will make it sound like there is an urgent issue requiring you to confirm personal details or send money by clicking on a link in a text or email or in response to a phone call.

Some scams may appear more easily identifiable because the caller, email or text message does not address you by your proper name or the email or text contains typing errors and grammatical mistakes. However, not all scams are as readily identifiable. Some scammers pretend to be a real business but have a fake website or a fake ad on a genuine retailer site, some impersonate government employees or tech support. Scammers often pretend to be a person or organization you trust, such as identifying themselves as Social Security or your financial institution.

According to Morris County Adult Protection Services, older Americans are more likely to lose money to financial fraud and scams because scammers will attempt to contact potential victims in person, over the phone, via computer, text messages, emails and ads, and will pressure that the issue is urgent and to act quickly. A common scam is the “Grandparent Scam”. This is when a call is from someone posing as your grandchild. The scammer will most likely sound scared or frantic and say that they are in trouble. Sometimes they will say they were arrested for drunk driving, another crime, or a motor vehicle crash. The scammer will usually provide just enough information to make it sound plausible and ask you to wire money or obtain a prepaid card such as a Green Dot card and give the caller the account number on the card; this is how they get your money.

Education about current scams and taking precautions will help you avoid becoming a victim. There are many sources to help keep you updated such as the Morris County Division on Aging, Disabilities, and Community Programming, 800-564-4656. Additionally, AARP’s website (aarp.org) provides updated fraud and scam information; helpful Do’s and Dont’s from AARP are noted.

### DO:

- Set privacy settings on your social media accounts so that only people you know can access your posts and photos. Scammers search social media for information to fool you.
- Hang up immediately and call your grandchild or other family member in question on a known number to make sure they are safe and confirm it is a scam.
- Contact other family members or friends if you have any concerns that the emergency could be real. Scammers plead to keep the situation a secret so you won’t confirm it.
- If you speak with someone who claims to be a police officer, call the relevant law enforcement agency to verify the person’s identity and any information they’ve given you.
- Trust your instincts. If something doesn’t feel right, it probably isn’t.

### DON’T:

- Drop your guard because the number on your caller ID looks familiar. Scammers can use technological tricks to make it appear that they’re calling from a trusted number.
- Volunteer information. Scammers fish for facts they can use to make the impersonation believable. For example, if the caller says, “It’s me, grandpa!” don’t say your grandchild’s name. Wait for the caller to say it.
- Let a caller rush you into making a decision.
- Send cash, wire money, or provide numbers from gift or cash-reload cards to a person claiming to be a grandchild or other family member. Scammers prefer those payment methods because they’re difficult to trace.
- Panic, no matter how dire the grandchild’s predicament sounds. Scam artists want to get you upset to distract you from spotting the ruse.

If you are concerned or believe you may have received a scam phone call, do not hesitate to call the Randolph Police Department at 973-989-7010 or come to the police department for assistance.

## New Officers

The Randolph Township Police Department welcomes John Pepe and Nicholas DeMaio to the department.

Officer Pepe is originally from the Borough of Woodland Park, NJ. He served four years active duty in the Air Force before transferring to the New Jersey Air National Guard, completing three overseas deployments. Officer Pepe graduated with his Bachelor’s Degree in Criminal Justice from Berkeley College in New York, NY. He was hired by the Paterson Police Department and graduated from the Bergen County Police academy in December 2020. Officer Pepe was hired by the Randolph Township Police Department in June 2023.

Officer DeMaio was born and raised in neighboring Denville Township. He graduated from the County College of Morris in 2015 with an Associates Degree in Criminal Justice and continued his education at Seton Hall University where he earned his Bachelor’s Degree in Criminal Justice in 2017. In June of 2019 Officer DeMaio began training at the Morris County Police Academy as an Alternate Route Candidate and was then hired by the Harding Township Police Department in November 2019. Officer DeMaio worked with the Harding Police Department from January of 2020 to June of 2023 at which time he joined the Randolph Township Police Department.

## MADD Award

On June 22, Patrolman James DeLuca received a Recognition of Excellence Award from Mothers Against Drunk Driving (MADD). The awards are issued to officers who exhibit outstanding dedication in deterring impaired driving on New Jersey roads and highways.

MADD was founded in 1980 by a mother whose daughter was killed by a drunk driver. MADD is the nation’s largest nonprofit working to end drunk driving, help fight drugged driving, support the victim of these violent crimes, and prevent underage drinking. MADD has provided supportive services to nearly one million drunk and drugged driving victims and survivors at no charge through local victim advocates and the 24 hour Victim Help Line at 1-877-MADD-HELP.

## Help Keep the Roads Safe

The Randolph Police are asking for your help to keep the roads safe during the fall months. Roadway leaf piles are difficult to see at night, slippery when wet, and narrow the passage for cars to safely pass one another. Please plan for no earlier than seven days prior to scheduled pick up to rake, sweep, or place your leaves curbside along the public street.

An excerpt from Local Ordinance 42-69, Leaves:

- (1) Placement. Property owners, tenants of property owners, agents of property owners or tenants, contractors of property owners or tenants and landscapers of property owners or tenants may place leaves in sealed biodegradable bags curbside along public streets throughout leaf collection season provided that sealed biodegradable bags shall not be placed less than ten feet from any storm drain inlet, nor shall they create a hazard for vehicles.
- (2) Sweeping, blowing, raking, and dumping of leaves. Property owners, tenants of property owners, agents of property owners or tenants, contractors of property owners or tenants and landscapers of property owners or tenants may sweep, blow, rake, or dump leaves onto the curbside of public streets fronting a resident's property during leaf collection season within the seven day period before the scheduled leaf collection day (published in the fall town newsletter and posted on the town web site) provided that the leaves shall not be placed less than ten feet from any storm drain inlet, nor shall they create a hazard for vehicles.

# Randolph Rescue Squad

## Teamwork Succeeds

Have you noticed our new Randolph Rescue Squad (RRS) logo? Wow! Established in 1967! Most of today’s active Squad members were not even born at that time. Be assured, we hold ourselves to the high standards of care and compassion initiated over 56 years ago. Right from the beginning, RRS members have been committed to community involvement. So far this year, we have answered nearly 500 calls in addition to providing numerous standby coverages and transportations. Residents, businesses, schools, local organizations, township officials, and Squad members communicate with, and depend upon, one another throughout the year. We appreciate this strong partnership and hope it continues for many more years into the future!

Most importantly, the RRS expresses our thanks to many people for many reasons: their generous financial donations; their cheers and smiling faces during the Freedom Festival parade and events; their messages of gratitude following calls and standbys; their participation in our blood drives; their donations to our clothing bins; and to our Township Council members and municipal staff for their constant support.

JOIN US. Volunteering is not only a way to serve your community, it is also a way to reward yourself with a sense of satisfaction and pride. Members improve their own collaboration and life skills. They learn about and respect those who face difficult health challenges. They become better listeners and better leaders. They extend their career choices. They save lives.

Who are these RRS members? They are a diverse group of people, from junior member to grandparents and everyone in-between, all dedicated to this wonderful township.

### Reminders:

- ✓ UPCOMING BLOOD DRIVES: Held at RRS Headquarters on Route 10 West on October 12 and December 28, from 10:45 am through 7:45 pm.
- ✓ FOOD TRUCK FESTIVAL: October 28 at County College of Morris.
- ✓ SPECIAL DONATIONS REQUEST: : Do you have clothing or shoes that are no longer needed? Place them in a bag and deposit it in the clothing bins located in the Squad parking lot at RRS Headquarters on Route 10 West. Thank you for your caring generosity.
- ✓ RRS WEBSITE: [www.Randolphrescue.org](http://www.Randolphrescue.org) to complete a membership application – or email us at [info@randolphrescue.org](mailto:info@randolphrescue.org).
- ✓ RRS PRESIDENT: contact Christopher Zelley via [president@randolphrescue.org](mailto:president@randolphrescue.org).
- ✓ FOLLOW US on Facebook and Instagram.
- ✓ DIAL 9-1-1 in an emergency. Provide a clear explanation of location and the nature of the emergency; provide a list of the patient’s medications to give to the crew.
- ✓ STAND-BYS: Send an email to [captain@randolphrescue.org](mailto:captain@randolphrescue.org). Make a detailed request with as much prior notice as possible.

## Fire Department News

We hope that everyone enjoyed the summer. Thank you to everyone who came by to visit our tent at the Freedom Festival and we look forward to seeing you again next year.

The Randolph Township Fire Department (RTFD) has been busy responding to calls and helping keep the community safe. We also have some fun community activities coming up and hope to see you there, visit [www.randolphfire.org](http://www.randolphfire.org) for more details:

- On September 30 at 5:00 pm, the Ironia Fire Co. 4, 331 Dover Chester Road, will be celebrating their 75th anniversary with a Wet Down and will also welcome the department's newest apparatus, Brush Truck 44. Please come out and support Co. 4; there will be fun for all including food and beverages, shirts and mugs will be available for purchase. In addition, fire engines from the surrounding area will shower Brush Truck 44 with water as part of the Wet Down festivities.
- On October 15 from 7:30 – 11:30 am, Co. 4 will host their Fall Pancake Breakfast; come and enjoy all you can eat pancakes.

### School and Childcare Facilities Fire Safety

As summer ends and schools are back in session, the department and our fire inspectors will again run our fire prevention program in the schools and childcare facilities to promote fire prevention and fire safety.

### Fire Prevention Week is October 8 – 14

This year the Fire Prevention Week theme is “Cooking Safety Starts with YOU.”

Did you know:

- Cooking fires are the leading cause of home fires and home fire injuries.
- Unattended cooking is the leading cause of cooking fires and deaths.

We are looking for new members at all our firehouses; visit [www.randolphfire.org](http://www.randolphfire.org) for more information. Stay safe.

## White Tailed Deer Hunting

The 2023-2024 bow hunting season began on September 9. Randolph's Wildlife Management Advisory Committee (WMAC) oversees the township hunting program, designating public open lands for hunting, assigning area “Captains” to oversee hunting activities on property owned or managed by the township, and approving hunters to obtain local access permits.

While the trail system remains open during most of the hunting season, residents should be aware that hunting is taking place in public open space. Please pay attention to signs posted on the trailheads and on the township website regarding any potential closures.

Permitted hunters must display a vehicle tag on their rear-view mirror and have armbands with their permit visible. As determined by the NJ Division of Fish and Wildlife, the deer hunting season lasts from September 9, 2023 through February 17, 2024. Residents interested in establishing a neighborhood hunt may obtain information by emailing [deerhunt@randolphnj.org](mailto:deerhunt@randolphnj.org).

The WMAC maintains a list of licensed hunters and can act as an information resource. The goal is to restore the environmental balance by reducing the population of white-tailed deer. We have seen regeneration in the forest understory, ensuring that future generations can enjoy healthy woodlands.

# 2023 Leaf Collection Information

The Department of Public Works will begin the township's annual Leaf Collection Program at the end of October. The anticipated collection schedule by district can be found in the list on the right:

- Residents, landscapers, contractors, and lawn services may place loose leaves at the curb.
- Leaves should be placed only in locations on the property ten or more feet from any storm sewer inlet on the street.
- Only leaves should be placed at the curb; brush, grass, rocks and any other materials should never be included with the leaves.
- Leaves cannot be placed at the curb any earlier than seven days prior to the week of the scheduled collection date.**
- Leaves need to be placed at the curb prior to the Saturday in which your district is scheduled to begin pick up.**
- Residents are urged to dispose of leaves on their own properties whenever possible since the stormwater regulations instituted by the state make it necessary to reduce the volume of leaves placed at the street.

- Blowing leaves into wooded areas, placing leaves on acid loving plants such as pachysandra, or creating backyard compost piles will minimize costs associated with the collection and trucking of the leaves to a compost facility outside the township limits. Such disposal in wooded areas or on acid loving plants is also beneficial to properties.
- Placing leaves and other yard waste on township parkland and open space is not permitted and is a violation of state regulations.

Violations of any of the above requirements will continue to be enforced by the Health Department and could result in a court summons being issued.

For residents who prefer to place leaves in biodegradable bags instead of waiting for their district's scheduled collection, the Department of Public Works will collect the bags on Mondays. However, residents must schedule a Monday collection by calling the Engineering Department at 973-989-7066 by 3:30 pm on the prior Friday. This service is offered as a courtesy to residents.

## Bulk Trash Collection Week

The fall bulk trash collection will take place the week of September 25 - September 29. **Bulk items must be at the curb prior to 6:00 am Monday, September 25.** Please note that this collection is simply an extension of your one-item-of-bulk-trash per weekly curbside collection service available to residents throughout the year. As always, bulk collection will take place on your street once, no return trips will be made.

*ITEMS COLLECTED* during the bi-annual bulk collection and/or weekly curbside trash collection include non-metal furniture, couches, mattresses, box springs, rugs/carpeting (rolled and tied in four-foot lengths).

*ITEMS NEVER COLLECTED* during the bi-annual bulk collection and/or weekly curbside trash collection include all recyclable items (metal, paper, e-waste), appliances/white goods, prohibited items (hazardous waste, building materials, scrap metal, tires, and items weighing more than 200 lbs.), used motor oil, vegetative waste (including grass clippings, leaves & branches).

**Household trash must be clearly separated from your bulk items.** Cardboard boxes cannot be used as receptacles for bulk items. Loose items must be placed in trash cans or disposable bags. Latex paint **MUST** be dried out and solid; paint cans can be filled with kitty litter & placed into a trash can so that the mixture is solid.

Have questions? Visit the township website or call the Health Department at 973-989-7050.

## Holiday Garbage and Recycling Schedule

There will be no garbage or recycling collection on Thursday, November 23 due to the Thanksgiving holiday. The make-up collection will take place on Friday, November 24. Containers must be at the curb no later than 6:00 am to ensure collection.

## Clean Communities and Paper Shredding Event on September 23

### Fall Clean Communities Day

Join local civic and scout organizations in tidying up Randolph Township at our Clean Communities Day on Saturday, September 23. All participants will receive gloves, garbage bags and t-shirts. Group leaders can arrange to pick up supplies at the Health Department on Thursday and Friday, September 21 & 22, between 8:30 am and 4:30 pm. Mini-grants are available for civic groups. Call the Health Department at 973-989-7050 to sign up.

### Paper Shredding Event

As part of its Clean Communities Day, the Randolph Township Health Department will once again offer confidential paper shredding services to residents, free of charge, from 9:00 am to 12:00 pm on Saturday, September 23 in the Municipal Building parking lot. Residents will be required to follow the traffic pattern, park where directed, and remain in their vehicles. A DPW employee will assist residents with their items.

This shredding service is:

- Randolph residents only; have your NJ driver's license available for proof of residency.
- Personal, confidential documents generated in the home only (not commercial or home-business generated).
- A maximum of three file boxes per household (file box = 1.5 cubic feet).
- Confidential documents; not for junk mail and store flyers or solicitations.
- Documents must be free of any metal clips, rings or binders; plastic file folders, x-rays, CDs, etc. are prohibited.

Have questions? Contact the Health Department at 973-989-7050.
