Be a Volunteer Hero!

Volunteering as a Randolph EMT or Firefighter offers a unique opportunity to make a significant impact within our Randolph community. Both roles provide essential services that are critical during emergencies, helping to preserve life and property.

The Randolph Fire Department, established in 1931, operates as a volunteer organization and has been a cornerstone in ensuring the safety and well-being of the community. Volunteering here allows individuals to engage in various emergency services, including fire suppression, ice rescue, and vehicle extrication, among others. It's a chance to work as a team to provide the highest level of service to residents, proprietors, and visitors within Randolph. More about this can be read on their official website. www.randolphfire.org/membership

Similarly, the Randolph Rescue Squad plays a vital role in medical emergencies. Volunteers receive training to assist in life-saving measures and gain invaluable experience in medical response, which is rewarding both personally and professionally. The rescue squad provides the township and its surrounding communities with basic life support services Monday through Friday, from 7 PM through 6 AM, and around the clock on weekends and holidays. More about this can be read on their official website. www.randolphrescue.org/join

Randolph also offers a variety of volunteer opportunities across multiple municipal boards and committees that are integral to community development. Whether your interests lie in environmental conservation, public health, urban planning, or community recreation, there's a role that can benefit from your enthusiasm and skills. For more information view the Tap the Talent application at www.randolphnj.org/479/Volunteer.

As a volunteer, you'll gain invaluable skills, experience the adrenaline of emergency response, and enjoy the camaraderie of a team that's like family. Dive into a role that saves lives and shapes your community!

RANDOLPH *in brief...*

A Message from the Mayor: Randolph Township Supports Our Business Community

With more than 450 businesses located within Randolph, it's clear that business is a vital part of our community. From regional and national companies to locally owned small, independent ventures, Randolph is home to many successful, thriving businesses. The Township Council and municipal organization strive to cultivate a strong and welcoming pro-business culture. We have established Randolph as a community where new businesses want to invest, and where existing businesses want to grow.

So far in 2024, the Township Council has already celebrated grand opening events with 13 new small businesses in Randolph, which include GolfCave indoor golf facility, Good Life Yoga Studio, Exotic Sweet Shop, SIP Abacus education center, La Delicias de Triny restaurant, Lytle Dream Team Realty, Smartikos high tech services, Salus Per Aquam Spa, Max's Electric Bikes, Paradise Farm camp, Taste of Ukraine Bakery, the Randolph Athletic Club fitness center and Kaleidoscope ABA Therapy Services. Other small businesses have opened their doors in Randolph in 2024 and there are many more coming, including Zola's Italian Ristorante, Cream and Sugar coffee shop and fast food restaurants Sonic and Taco Bell. We look forward to welcoming these new businesses to Randolph.

To support local businesses, the Township Council regularly participates in Chamber of Commerce events and several years ago the Council created an advisory committee, the Economic Development Committee (EDC). Its ten volunteer members, who are appointed by the Council, are charged with promoting

sound economic development within the township and recommending pro-business policies, programs and projects to the Township Council. As an indication of how valuable we view business in Randolph, both the Mayor and the Township Manager are liaisons to the EDC and participate in all committee meetings.

The EDC website, randolphlocal.com, is a resource to promote local businesses. The committee is also very active on social media platforms, frequently posting messages about Randolph businesses. As part of their effort to encourage and facilitate the process of doing business within Randolph, the EDC has developed a new Business Welcome Packet, which is a comprehensive guide for businesses interested in starting up, expanding, or relocating in Randolph Township. In addition, the EDC also promotes "Shop Local" initiatives and this past November they hosted a veteran's business initiative which highlighted veteran-owned businesses and businesses that offer discounts for veterans.

While these efforts have had a positive effect on the Randolph business community, we continue to explore additional ways to assist local business owners. I encourage all residents to shop local whenever possible. Let's keep business booming in Randolph!

Mayor Chris Carey

Randolph EDC

The Randolph Economic Development Committee (EDC) actively promotes local events and business initiatives. Our social media content and postings are current, informative and engaging. We highlight new township businesses, existing business promotions, and local events that bring the residents together with our local business community.

The EDC has been quite busy welcoming new business, co-hosting grand openings and ribbon cutting ceremonies and providing ongoing social media support to these new businesses. We reach out to each new business that is identified and offer our support services immediately. The EDC maintains a "new business welcome packet" that is available at the Municipal Building. We also offer new and existing businesses the opportunity to be featured on our shop local website and all social media platforms via our "business spotlight questionnaire".

The fall season also allows the EDC to recognize veteran owned businesses, those that employ veterans and those that offer discounts to veterans. These businesses are identified on our "shop local" online business listing. The EDC is delighted to actively support the sharing of this information with our local residents.

Please visit our website; www.randolphnjedc.com for information regarding the Randolph Economic Development Committee.

New Hire Spotlight

Trista Kuna-Santos

Randolph welcomes Trista Kuna-Santos as our new Township Engineer. Trista gained the majority of her experience designing and managing large and complex engineering projects for a private consulting firm. Most recently, she worked for the Morris County Park Commission as their Manager of Engineering Services. Trista received her undergraduate degree from Rutgers University and her master's degree from Stevens Institute of Technology. She and her husband Rich live in Jefferson with their dog Allie. Trista is excited to bring her skills and experience to Randolph and continue to improve the township infrastructure, as well as develop new projects and facilities.

Clean Communities and Paper Shredding Event

Clean Communities

Join local civic and scout organizations in tidying up Randolph Township at our "Clean Communities Day" on Saturday, September 28th. All participants will receive gloves, garbage bags and t-shirts. Group leaders can arrange to pick up supplies in the Health Department on Thursday and Friday, September 26 & 27 between 8:30 AM and 4:30 PM. Mini-grants are available for civic groups. Call the Health Department at 973-989-7050 to sign up.

Paper Shredding

As part of its Clean Communities Day, the Randolph Township Health Department will once again offer confidential paper shredding services to residents, free of charge, from 9:00 AM to 12:00 PM on Saturday, September 28th in the Municipal Building parking lot. Residents must have their NJ driver's license available as proof of residency. Residents will be required to follow the traffic pattern, park where directed, and remain in their vehicles. A DPW employee will assist residents with their items.

This shredding service is:

- Randolph residents only
- Personal, confidential documents generated in the home only (not commercial or home-business generated).
- A maximum of three file boxes per household (file box = 1.5 cubic feet).
- Confidential documents. This does not include junk mail and store flyers or solicitations.
- Documents that are free of any metal clips, rings or binders (plastic file folders, x-rays, CDs, etc. are prohibited).

Please call the Health Department at 973-989-7050 if you have questions.

Bulk Collection Week

Fall Bulk Collection week begins Monday, September 23 and ends on Friday, September 27. **Items must be placed curbside by 6:00 AM Monday, September 23.**

For this collection, Blue Diamond will be through each street only one time. Please note that this collection is simply an extension of your one-item-of-bulk-trash per weekly curbside collection service available to residents throughout the year. Items accepted include non-metal furniture, couches, mattresses, box springs, rugs/ carpeting (rolled and tied in four-foot lengths).

Household trash must be clearly separated from your bulk items. Cardboard boxes cannot be used as receptacles for bulk items. Loose items must be placed in trash cans or disposable bags. Latex paint **MUST** be dried out. Paint cans can be filled with kitty litter & placed into a trash can; mixture must be solid.

ITEMS NEVER COLLECTED during the bi-annual bulk collection and/or weekly curbside trash collection include all recyclable items (metal, paper, e-waste), appliances/white goods, prohibited items (hazardous waste, building materials, scrap metal, tires, and items weighing more than 200 lbs.), used motor oil, vegetative waste (including grass clippings, leaves & branches).

For more information on acceptable and unacceptable items, visit www.randolphnj.org.

Repurpose with Purpose: Donate, Not Discard, to Support Randolph and the Environment

In an effort to support sustainable living and aid those in need within our community, we encourage Randolph residents to consider donating items to local organizations instead of discarding them where they might end up in landfills. Organizations such as Goodwill, Morris Habitat for Humanity ReStore, Market Street Thrift Store, and Green Vision Electronics Recycling are excellent places to bring your donations.

Items accepted include clothing, lightly used furniture, household goods, antiques, and collectibles. By choosing to donate, not only do you help reduce waste, but you also contribute to a cycle of giving that supports homeless, needy, and overwhelmed men, women, and families in our community.

Please visit the following links for more information on how to donate:

Morris Habitat for Humanity ReStore: <https://www.morrisrestore.org/donate>

Market Street Thrift Store: <https://www.marketstreet.org/thrift-store>

Goodwill of New Jersey: <https://goodwillnj.org>

Green Vision Electronics Recycling: <https://gvinc.org>

Your contributions make a significant difference, helping to enrich lives and protect our planet. Let's work together to keep Randolph green and generous.

Engineering/Water & Sewer Project Updates:

County College of Morris (CCM) Sanitary Sewer Pump Stations

Randolph Township is proud to announce that the CCM Sanitary Pump Station Replacement Project has been completed. Our great contractors at Dulaine Contracting, Inc. continued to persevere through some equipment and material delays to complete the project in accordance with the design plans and specifications.

(CCM Pump Station)

Stormwater Management Facilities

As the weather changes and residents perform fall clean-up of their property, please remember that grass, leaves, branches and other debris should not be directed or discharged onto neighboring properties, township properties, or stormwater management facilities such as detention basins, drainage ditches, swales, inlets or manholes. Placing debris in these facilities is likely to cause flooding and adverse impacts to all surrounding properties. Although the township picks up leaves curbside from residential properties, residents shall maintain separation of their leaf piles from drainage structure to insure continued functioning during storm events.

Environmental & Landmarks Committee News

The Randolph Country Fair on September 14 will provide many opportunities to drive local sustainability and landmark protection. Look for the Environmental & Landmark Committee's booth featuring demonstrations on building rain barrels, creating pollinator gardens, and converting backyard wood piles into biochar. Stop by the booth for vital information on recycling, community solar, and food waste composting. Sign-up to join the Historical Society of Old Randolph and make a plan to visit the Randolph Museum. Own a piece of the Randolph Liberty Tree by purchasing a slab from Kravitz Family Sawmill at a one-time discount rate of \$10/board feet only at the fair. The next Environmental & Landmarks Committee meeting on September 24 at 7:30 PM at the Municipal Building.

A Letter from the Superintendent

Randolph Learning Community,

Randolph Township Schools and the Board of Education are committed to inspiring and empowering all students to reach their full potential as unique, responsible educated members of a global society. The district's mission is grounded by its continued pursuit of academic excellence, creating positive learning environments which foster social emotional growth, supporting and recruiting the best educators to serve students, and consistently seeking innovative ways to enhance teaching and learning. These goals of the district are enhanced by the efforts of many individuals including families, stakeholders, and the Randolph Township community.

The Board of Education has approved a multi-million dollar referendum for the public's consideration. The community vote will take place on Tuesday, September 17, 2024. The polls will be open from 6:00 AM until 8:00 PM. The proposed referendum will include enhancements to all six district schools which includes full roof replacements at Shongum Elementary and Ironia Elementary, art room renovations at all six school buildings, music room renovations at Randolph Middle School, HVAC/UV replacements, districtwide restroom renovations in every school building, and security upgrades in every school.

A referendum is a request by a school district to borrow funds by selling bonds, which are paid back over time with property taxes. When a bond referendum is approved by local voters, school districts like Randolph Township Schools qualify for a specific type of debt service aid which would

lower the cost impact to the Randolph taxpayer, as local taxes would not cover 100% of the cost.

Improvements to Randolph Township Schools' facilities and security infrastructure would be expedited with additional funding while minimizing costs to taxpayers long-term. Infrastructure changes reduce the likelihood of repair risks and costly maintenance which takes away from the educational opportunities needed for Randolph Township Schools to continue to provide a world class education. A referendum ensures that Randolph Township Schools can continue to operate efficiently and safely, while making improvements that will have a lasting impact on the educational excellence provided to all students.

If the referendum passes, the average homeowner would see an increase of \$112 per year. This is roughly \$9.33 per month, for 41.4 million dollar's worth of renovations and enhancements districtwide. Please visit the district's financial impact page on the district's website for more detailed information.

The link provided below is the official webpage and source for all information about the Tuesday, September 17, 2024 referendum for the public's consideration.

Sincerely,

Jennifer Fano
Superintendent of Schools

Police Department News

Move Over Law

The Randolph Township Police Department is one of several New Jersey Law Enforcement agencies to be awarded a grant from the Division of Highway Traffic Safety to enforce the "Move Over Law". The enforcement of this important safety law via the new grant, took place between July and August.

The "Move Over Law" is designed to protect the lives of those who serve us in emergencies. When you see a police, fire, ambulance, or tow truck vehicle with its emergency lights activated on the side of the road, remember to move over and slow down. This simple action saves lives and ensures the safety of emergency responders at the roadside.

MADD Award

In June, Patrolman Michael Del Russo and Patrolman James DeLuca received a 'Recognition of Excellence' award from Mothers Against Drunk Driving (MADD). The awards are issued to officers who exhibit outstanding dedication in deterring impaired driving on New Jersey roads and highways.

MADD was founded in 1980 by a mother whose daughter was killed by a drunk driver. MADD is the nation's largest nonprofit working to end drunk driving, help fight drugged driving, support the victims of these violent crimes, and prevent underage drinking. MADD has provided supportive services to nearly one million drunk and drugged driving victims and survivors at no charge through local victim advocates and the 24 hour Victim Helpline at 1-877-MADD-HELP.

Lt. Jeff Goral with Ptl. Michael Del Russo

Leaves in the Roadway

The Randolph Police are asking for your help in keeping the roads safe during the fall months. Leaf piles in the roadway can be difficult to see at night, slippery when wet, and narrow the passage for cars to safely pass one another. Please rake, sweep, or place your leaves curbside along the public street, no sooner than seven days prior to their scheduled pick up. Below is an excerpt from Local Ordinance 42-69:Leaves.

- Placement.** Property owners, tenants of property owners, agents of property owners or tenants, contractors of property owners or tenants and landscapers of property owners or tenants may place leaves in sealed biodegradable bags curbside along public streets throughout leaf collection season provided that sealed biodegradable bags shall not be placed less than ten feet from any storm drain inlet, nor shall they create a hazard for vehicles.
- Sweeping, blowing, raking, and dumping of leaves.** Property owners, tenants of property owners, agents of property owners or tenants, contractors of property owners or tenants and landscapers of property owners or tenants may sweep, blow, rake, or dump leaves onto the curbside of public streets fronting a resident's property during leaf collection season within the seven day period before the scheduled leaf collection day (published in the fall town newsletter and posted on the town website) provided that the leaves shall not be placed less than ten feet from any storm drain inlet, nor shall they create a hazard for vehicles.

Randolph Rescue Squad

Join Us & Be the Hero Randolph Needs!

For over 50 years, the primary responsibility of Randolph Rescue Squad (RRS) members has been responding to 911 emergency calls along with assisting at fire scenes. Additionally, the Squad provides help at many community and sporting events. We offer standby coverage at the annual Freedom Festival and parade in July and at the Country Fair in the fall. Quite often, scout troops and community organizations visit us at RRS Headquarters. We have given EMS presentations at the Randolph Community School and the Randolph Day Camp. It has also been a pleasure taking part in Gottesman RTW Academy's Touch-a-Truck event.

We are always prepared to help our Randolph Township residents, students, businesses, friends, and visitors. In return, you can help us, especially when an RRS crew responds to a 911 call at your own home. Consider these recommendations:

- Our ambulance must park as close as possible to your entryway. Move any vehicles that block the driveway. Unlock entry doorway(s). If the garage is the entry, open its doors before the ambulance arrives. If it is dark, turn on the outdoor lights.
- Post someone outside to lead the crew inside and directly to the patient. Set up a clear pathway. Secure any pets that might limit access to the patient.
- A family member may be able to describe the injury, incident, or behavior that prompted the 911 call. If the patient cannot communicate clearly, does not understand English, or has other limitations, inform the crew at once.
- Gather the patient's medications together and give the crew a list of those meds. Remove any jewelry or other valuables from the patient. Alert the crew to the patient's use of hearing aids, eyeglasses, dentures, diabetic patches, walkers, canes, or other "medical devices".

Most importantly...as impossible as it may seem, family members who stay calm HELP the crew do its best. The patient needs help, and the RRS Squad Crew is well-trained to deliver that help.

Join Us! We hope you will become one of the Helpful Heroes that Randolph needs! Reward yourself with a sense of satisfaction and pride. Extend your life skills. Become a better listener, collaborator, and leader. Learn about and respect those who face difficult health challenges. Save lives

Reminders:

- ✓ **DIAL 9-1-1** in an emergency- Quickly. Provide the location and nature of the emergency. Have a list of the patient's medications and/or special needs ready for the Crew.
- ✓ To arrange for **STAND-BY** service and/or for additional general information: Send email to info@randolphrescue.org or to captain@randolphrescue.org. Make a detailed request with as much prior notice as possible.
- ✓ **APPLY** for membership via our website at www.randolphrescue.org.
- ✓ **BLOOD DRIVES** at RRS Headquarters on Route 10 West are scheduled for October 10 and December 26. Hours are 10:45 AM to 7:45 PM. Register via our website or stop in.
- ✓ **OUR NEXT FOOD TRUCK FESTIVAL** is scheduled for Oct. 26 at County College of Morris.

Fire Department News

Happy Fall Y'all! The change of the season brings Fire Prevention Week. This year's theme is "Smoke alarms: Make them work for you!" This year the week dedicated to safety and fire prevention will take place from October 6-12, 2024, with the goal of educating people about the importance of having working smoke alarms in their homes. According to the National Fire Protection Association, smoke alarms can reduce the risk of dying in a home fire by more than half (54%).

The Randolph Township Fire Inspectors, in conjunction with the Fire Department, will be conducting their annual fire prevention education series in the educational facilities throughout the township. They are looking forward to interacting with all the junior firefighters in school. In addition to making sure your smoke alarms are working properly, please ensure you have a functional fire extinguisher in your home. Please be mindful of conditions when using outdoor fire pits, and grills. In addition, the change in season brings falling leaves; if outdoors having a smoke break, do not discard ashes or lit products in leaves, mulch, or dry ground.

Tips for smoke alarm safety:

- Install smoke alarms in every bedroom
- Install smoke alarms outside each separate sleeping area, like a hallway
- Install smoke alarms on each level of the home, including the basement
- Make sure smoke alarms meet the needs of all family members, including those with sensory or physical disabilities

If you vote this fall at one of the firehouses and you see one of the firefighters, ask them about membership and how you can join.

Have a happy and safe Fall Season!

Ironia Co.4 will be hosting their Fall Pancake Breakfast on Sunday October 13th, please come out and support the fire company and enjoy our all you can eat pancakes, eggs, and sausage.

Ultimate Balloon Workshop & Game Show to Delight Randolph Community

Enjoy an evening of balloon magic and family fun! The Randolph Community Center is excited to host the Ultimate Balloon Workshop & Game Show on October 4. The event will take place from 4:30 PM to 6:00 PM at 30 Calais Rd, Randolph. Participants are encouraged to arrive by 4:15 PM.

Geared towards children aged 6 and up, this event promises a delightful combination of entertainment and hands-on activities. The cost is \$35 per child, with parents welcome to stay and join in the fun.

The event kicks off with a 30-minute balloon magic game show that will captivate audiences with astonishing tricks and interactive fun. Following the game show, participants will dive into a 60-minute balloon twisting workshop. For more information or any questions, please contact the Randolph Community Center at 973-989-7081 or via email at kgarlick@randolphi.org. No refunds will be provided.

To register, visit www.randolphi.org/371/Online-Registration. The program is listed under Community Events 2024.

Trunk or Treat on October 26

The Randolph community is buzzing with excitement for the upcoming Trunk or Treat event, set to take place on October 26, at Brundage Park, located at 2 Bungalow Lane, Randolph. In case of rain, the event will be rescheduled to October 27.

This annual event, organized as a fundraiser for the Mt. Freedom Fire Company, invites families to join in the Halloween spirit with creatively decorated vehicles and plenty of candy for the little ones. The event is open for vehicle registration only, not for individuals, ensuring a smooth and enjoyable experience for all participants.

Event Details:

- **Set Up Time:** 2:00 PM – 3:00 PM
- **Event Time:** 3:00 PM – 4:00 PM

To ensure a fun and organized event, participants are asked to arrive with their entire group. If you have multiple vehicles, make sure they are in line behind one another to park next to your friends or family members.

Trunk Decoration Contest:

Prizes awarded for the best-decorated trunks (\$75, \$50, and \$25)

For more information or any questions, please contact the Randolph Community Center at 973-989-7081 or via email at kgarlick@randolphi.org. To register, visit www.randolphi.org/371/Online-Registration.

Randolph Township to Host Quadball Learn & Play Sessions on October 26th

Dive into the magical world of Quadball, inspired by the fictional game of Quidditch, at Veterans Community Park on October 26. This exciting event is part of the Haunted Trail (Saturday only) festivities and offers children a unique opportunity to learn and play this dynamic sport.

Quadball is a mixed-gender, non-contact sport that combines elements of basketball, dodgeball, and tag. Participants will learn how to score a quaffle, throw a bludger, and catch a snitch for their team. While the game may seem chaotic at first, understanding the basic rules reveals a thrilling and engaging sport.

Event Details:

- **Date:** October 26 (Rain date: October 27)
- **Location:** Veterans Community Park, 100 Calais Rd, Randolph
- **Cost:** \$25 Per Child (Play)
- **Sessions:**
 - Ages 6-9: 6:00 PM – 7:00 PM
 - Ages 10-13: 7:00 PM – 8:00 PM
 - Ages 8-12: 8:00 PM – 9:00 PM

Children participating in Quadball should arrive 15 to 20 minutes before their session start time at the Veterans Community Park Picnic Shelter, located across from the Pickleball Courts. Spectators are welcome to watch the fun for free!

The Historical Society of Old Randolph

A blast from the past:

The Historical Society of Old Randolph's 1800s style covered wagon parade float, towed by a farm tractor, was part of the procession over three decades ago for the Randolph Kiwanis Freedom Parade. The weekend-long festival, usually held annually in July, commences with a parade traveling down Quaker Church Road, turning onto Center Grove Road, and winding down to the Reviewing Stand on the County College of Morris grounds. This family friendly festival features a variety of things to enjoy and do, including gourmet food trucks, live music, carnival games, rides, and finally, the spectacular fireworks show at the conclusion. Sponsored by the Township of Randolph in partnership with the Randolph Kiwanis Club, proceeds from the festival benefit local, national, and international charities and organizations.
