- 1) To the executive management and administrative control of the Township Government and its properties and facilities and the activities of its employees;
 - 2) To hire all employees subject to the provisions of law, to determine their qualifications and conditions for continued employment or assignment and to promote and transfer employees;
 - 3) To suspend, demote, discharge or take other disciplinary action for good and just cause according to law.
- B. Nothing contained herein shall be construed to deny or restrict the Township of its powers, rights, authority, duties and responsibilities under R.S. 40 and R.S. 11 or any other National, State, County or Local laws or ordinances.

ARTICLE 3

PBA RIGHTS

- A. The Township agrees to grant time off while working, as provided by State Statute, to the President and the State Delegate of the PBA or their designee(s) to attend State meetings or conventions, provided seventy-two (72) hours written notice is given to the Chief of the Department by the PBA. In addition, two (2) employees or 10% of the members of the negotiation unit shall be released without loss of pay to attend conventions of the State PBA.

The Township will not compensate officers attending the above listed meetings or conventions if the officer is not scheduled to work.

Union activities, while working, outside of the above defined functions shall be limited to one Executive Board member or his/her designee and shall not exceed one hour in any shift.

- B. During Collective Negotiations, authorized PBA Representatives not to exceed three (3), including the President of the PBA, shall be excused from their work duties to participate in collective negotiations sessions which may be mutually scheduled to take place during their regularly scheduled work time, and shall suffer no loss of regular pay thereby, however, other off-duty officers may participate in such negotiations.
- C. The Township agrees that the PBA shall have the right through a three (3) officer committee including the President of the PBA, to make recommendations and suggestions in connection with the revision of the present Police Department Rules and Regulations. The impact of such revision of rules on working conditions, if any, shall be negotiated with the PBA.
- D. The Township agrees that in the event that disciplinary action is taken in the form of formal, filed charges against any officer, said officer shall be permitted to have his personal attorney, the PBA Attorney and/or the PBA President and/or a PBA Council Staff Representative present at such formal proceedings, provided that all costs for such persons shall be borne solely by the Officer and/or the PBA.

ARTICLE 4

EQUAL EMPLOYMENT OPPORTUNITY POLICY

It is mutually agreed that there shall be no discrimination because of race, color, religion, sex, age, marital status, national origin, physical disability or other legally protected classification in accordance with State and Federal law.

ARTICLE 5
WORK WEEK AND OVERTIME

A. Work Week

1. The normal work week for Supervisory Officers shall begin on Monday morning at 12:01 a.m. and end on the following Sunday at 12:00 midnight. The patrol division shall have a work schedule of twelve (12) hours per day, four (4) days on, followed by four (4) days off with a two-week rotation.

The Township and the SOA may agree, during the term of this contract, to change the patrol division schedule, so long as the Chief agrees that the change will not affect the operational needs of the department. Any impact on terms and conditions of employment as a result any change in the schedule will be negotiated and agreed to before implementation of a new schedule. Notwithstanding the preceding, neither party is obligated to negotiate over or agree to a new schedule during the term of this contract, and any refusal to discuss, negotiate or agree shall not be considered an unfair practice and shall not permit the other party to file for grievance arbitration or interest arbitration.

2. Administrative and Services personnel will work a 40-hour per week schedule as assigned by the Chief of Police.

3. The Chief of Police may change an officer's schedule to meet the operational needs of the department.

B. It is understood by the parties hereto that Supervisory Officers covered by this Agreement are managerial positions to which officers are appointed through promotion and are compensated as such. Therefore, although the hours set forth above are those which should be maintained, if the managerial or supervisory responsibilities of these

positions require additional effort to be met, such additional effort will be put forth in order to meet those requirements with the exceptions as stated in Paragraphs C, D, and E.

C. A Sergeant who is required to work longer than his/her regular tour of duty or more than four (4) or five (5) work days in any work week, depending on the officer's assignment, shall be paid for overtime at time and one-half or he/she may opt for compensatory time off, subject to the approval of the Chief of Police at the rate of one and one-half hours off for every overtime hour worked. Employees will be paid for a minimum of two hours for call-ins. In lieu of cash payment, an employee may opt for compensatory time off at the rate of time and one-half the hours worked. Such compensatory time shall accumulate and be used at the employee's request subject to prior approval of the Chief of Police.

F. All personnel shall have the option of receiving compensatory time at the time and one-half rate when they are required to work other than their normally scheduled shift

assignment. Such compensatory time shall accumulate and be used at the employee's request subject to prior departmental approval.

- G. Officers working a 4 on/4 off 12-hour schedule (Patrol Division) shall earn compensation in the form of bank time earned at the rate of 9.66 hours per month.

Officers who are on light duty (8 hour shift) or out of work due to injury shall not accumulate bank time while they are unavailable for full duty on a 12 hour shift.

- H. For the purpose of this Article, the hourly pay rate shall be calculated by combining standard base pay rates with longevity increments, where applicable. The time and one-half rate shall be calculated by multiplying the hourly rate by 1.5.

- I. The hourly rate, paid to the officer, for third-party services shall be \$85/hour for Randolph Board of Education, Township Projects, Randolph non-profit agency projects/activities, and other public agency projects in Randolph billed directly by the agency. If in any calendar year such vacation periods or parts thereof are not used, they should be used during the next calendar year only. D. Request for vacation time off must be submitted through the chain of command at least three (3) days prior to the start of the time requested. If a vacation request causes minimum staff to fall below acceptable levels, the department will make all efforts to

fulfill the necessary manpower by posting the shift as available overtime. If the shift cannot be filled by overtime, the vacation request will be denied. Vacation requests submitted less than three (3) days prior to the day(s) sought off may be approved if no overtime is required to cover the shift(s).

ARTICLE 8
SICK AND BEREAVEMENT LEAVE

A. Service Credit for Sick Leave

- 1) All employees shall be entitled to sick leave with pay based on the current rate of compensation for their rank.
- 2) Sick leave may be utilized by employees when they are unable to perform their work because of personal illness, accident or exposure to contagious disease. Sick leave may also be utilized for time needed for diagnosis, care, or treatment of, or recovery from, an employee's mental or physical illness, injury, or other adverse health condition, or for preventative medical care for the employee or immediate family. Sick leave may also be utilized for short periods when the presence of the employee is necessary to care for the employee's spouse, civil union partner or other members of the immediate family due to illness or injury. For the purposes of this section, immediate family is defined as spouse, civil union partner, children, parents or stepchildren of the employee who reside with the employee. When qualifying, sick leave shall be used concurrent with FMLA and NJFLA leave consistent with Township policy.

B. Amount of Sick Leave

- 1) Sick leave with pay shall accrue to any full time employee on the basis of ninety six (96) hours per year.
- 2) Any amount of sick leave allowance not used in any calendar year shall accumulate to the employee's credit from year to year to be used if and when needed for such purposes.
- 3) Officers may use up to 36 hours of their yearly allotted 96 hours as personal time to be used in times of emergencies requiring absence from their shift, or a portion of their shift. Officers desiring to use personal hours must notify the department at least one (1) hour before their scheduled shift or when the

emergent issue is discovered, if the member is already on duty, subject to approval for release from a superior officer. For the purpose of this paragraph, an emergency is defined as an event that cannot be foreseen and cannot be prescheduled, but requires the officer's attendance. Examples include, but shall not be limited to, a broken water pipe, water tank or furnace at the officer's home. Unused personal time shall not accrue year to year. Rather, unused hours of personal time shall accumulate in the officer's sick bank per B (2) of this Article.

C. Reporting of Absence of Sick Leave

- 1) If any employee is absent for reasons that entitle him to sick leave, his supervisor shall be notified prior to the employee's starting time, except in emergencies.
 - (a) Failure to notify his superior, or desk officer, may be cause for denial of the use of sick leave for that absence.
 - (b) Absence without notice for five (5) consecutive days may result in disciplinary action which may include dismissal in accordance with law.

D. Verification of Sick Leave

- 1) An employee who shall be absent on sick leave for four (4) or more consecutive working days may be required to submit acceptable medical evidence substantiating the illness. The Township may require proof of illness of an employee on sick leave, however, whenever such requirement appears reasonable. Abuse of sick leave may be cause for disciplinary action.
- 2) The Township may require an employee who has been absent because of personal illness, as a condition of his return to duty to be examined at the expense of the Township by a physician of the Township's choice. Such examination, together with other relevant medical evidence, shall establish whether the employee is capable of performing his normal duties and that his return will not jeopardize the health of other employees.

- 3) Employees absent on sick leave shall be required to be either at home, obtaining medical treatment or medication, or in transit to a medical care facility or pharmacy during their regular duty hours.

E. Payment for Accumulated Sick Leave at Retirement

- 1) Supervisory Officers in good standing with the department shall be eligible to receive 50% of accumulated sick leave at retirement based on the following schedule:

26	72
27	74

29	78
30	80

Employees hired after January 1, 2012 shall accumulate sick leave in the same manner, but the payout at retirement shall be capped at \$15,000.00

Employees hired after January 1, 2016 shall not be entitled to payment for accumulated unused sick leave at retirement.

Good standing at retirement shall be defined as an employee retiring of his/her own accord and not as a result of an agreement to avoid criminal conviction, dismissal through disciplinary proceedings, or a result of a plea bargaining agreement, or a criminal conviction

- 2) The benefit shall be calculated at the employee's current salary at the time of retirement and shall be paid within 30 days from the effective date of retirement.

It is strongly recommended that employees who expect to retire formally advise the Chief of Police of their retirement date no later than January 15 of the year of retirement to assure availability of funds for this benefit.

F. Donated Sick Leave Program

- (1) An employee may be eligible to receive donated sick leave if the employee:
 - a. Has completed at least one year of continuous service with the Township;

b. Has exhausted all accrued sick, vacation, bank time, and personal days as well as all compensatory time off; and

c. Either:

i. Suffers from a catastrophic health condition or injury;

ii. Requires absence from work due to the donation of an organ (which shall include, for example, the donation of bone marrow); or

iii. A family member suffers from or has suffered a catastrophic health condition or injury.

(a) For purposes of this section, a "catastrophic health condition or injury" shall be defined as

1. A life-threatening condition, injury, or combination of conditions which are life-threatening.

(2) A Township employee may seek approval of his or her participation in the program, as a leave recipient or leave donor. The employee's supervisor may make such a request on behalf of the employee for his or her participation in the program as a leave recipient.

a. The employee or supervisor requesting the employee's acceptance as a leave recipient shall submit to the Township Manager medical verification from a physician or other licensed health care provider concerning the nature and anticipated duration of the disability resulting from either the catastrophic health condition or injury, or the donation of an organ, as the case may be. Such time shall also include a period of rehabilitation from the catastrophic illness or injury.

b. When the Township Manager has approved an employee as a leave recipient, the Township Manager, or his designee, shall, with the employee's consent, post or circulate the employee's name along with those of other eligible employees in a conspicuous manner requesting the donation of leave time.

c. If the employee is unable to consent to this posting or circulation, the employee's family may consent on his or her behalf.

d. Employees wishing to donate sick leave shall notify the Chief of Police, or his designee, who shall track and record the leave donated. The Chief of Police shall also be responsible to report to the Finance Office the donation of sick leave and the use of the donated sick time.

(3) Donation of sick leave is strictly voluntary and any donation of sick time made shall be of the donor's own will and judgment. No employee is required to donate sick time under this program.

(4) A leave donor shall not donate more than 80 such hours to any one recipient.

a. A leave recipient shall receive no more than 480 hours.

b. A leave donor shall have remaining at least 160 hours of accrued sick leave after donating sick leave.

c. A leave donor shall not revoke the leave donation.

(5) While using donated sick leave time the leave recipient shall not accrue sick leave, vacation leave or personal leave for the period of their absence.

b. Upon retirement, the leave recipient shall not be granted supplemental compensation on retirement for any unused sick days which he or she had received through the leave donation program.

(6) In the event there are insufficient donated days to compensate the employee at his/her usual rate of pay, the employee may request to have the leave continue as an approved unpaid leave and/or Family Medical Leave, if applicable.

(7) An employee shall be prohibited from threatening or coercing or attempting to threaten or coerce another employee for the purpose of interfering with rights involving donating, receiving or using donated leave time. Such prohibited acts shall include, but not be limited to, promising to confer or conferring a benefit such as an appointment or promotion or making a threat to engage in, or engaging in, an act of retaliation against an employee.

(8) On behalf of its members, the PBA agrees that any employee who invokes the provisions of this program, or seeks inclusion in this program, hereby agrees as follows:

- a. The right to challenge or litigate the application of this program in any court, State or Federal, is hereby waived;
- b. - c. Any such claim must be filed no more than six (6) months after the date of the action that is the subject of the claim, waiving any statute of limitations to the contrary.

G. BEREAVEMENT LEAVE

- A. In case of death in the immediate family, an employee shall be granted up to three (3) days leave.
- B. Immediate family shall be defined as the employee's husband, wife, child, stepchild, mother, father, brother, sister, grandparents, father-in-law, mother-in-law, brother-in-law or sister-in-law and step parent.
- C. Reasonable verification of the event may be required by the Township.
- D. In the event of a death in the immediate family which would cause the employee to travel considerable distance or would otherwise entail additional time-off, a maximum of five (5) days may be granted by the Chief of Police at his discretion in unusual or extraordinary circumstances.

- B. Where an employee covered under this Agreement suffers a work connected injury or disability as defined in NJ Workers' Compensation law and/or regulation or as determined by the NJ Workers' Compensation court, the employer shall continue such employee at full pay for a period not to exceed one (1) year, during the continuance of such employee's inability to work. During this period of time, all temporary disability benefits accruing under the provisions of the Workmen's Compensation Act or any other insurance paid for by the employer, shall be paid over to the employer. The employee may be required to present evidence by a certificate from a responsible physician that he is unable to work. The employer may require the said employee to present an additional certificate from the Police Surgeon or other designated Township physician; however, if such certificate is required, then the employee shall not be caused to pay for same.
- C. In the event the employee contends that he is entitled to a period of disability beyond the period established by the treating physician, or a physician employed by the employer or by its insurance carrier, then and in that event, the burden shall be upon the employee to establish such additional period of disability by obtaining a judgment in the Division of Workmen's Compensation or by the final decision of the last reviewing court, which shall be binding upon the parties.
- D. In the event a dispute arises as to whether an absence shall be computed or designated as a sick leave or as an injury on duty, the parties agree to be bound by the decision of the last reviewing court.
- E. An injury on duty requiring time off for treatment, recuperation or rehabilitation shall not be construed as sick leave or a sick leave occasion under the terms of the sick leave policy heretofore agreed upon between the parties. At such times that an absence is

determined to be due to an injury on duty, then any sick time charged to the employee will be re-credited.

F. The Chief of Police shall be empowered to assign an employee to alternative duty assignments provided that the following steps are taken:

1. The Worker's Compensation doctor shall certify that the employee's condition is not compromised by said assignment.

The parties agreed that this procedure will be kept as informal as may be appropriate.
