Township Nears Settlement on Affordable Housing Plan

In the upcoming months, the township expects to reach a settlement of its court mandated affordable housing obligation with Fair Share Housing Center and three of the developers who have intervened in the matter. The settlement agreements, along with draft zoning ordinances, will be presented to the public and considered by the Township Council at meetings this fall. Residents are encouraged to look for notices regarding these public meetings which will be advertised through the township's various media outlets and to participate accordingly.

Since the 1980s, the Township of Randolph has been an active participant in the creation of affordable housing in the community. In excess of 300 affordable units have been developed in the form of apartments, townhomes, single-family dwellings, assisted-living units and group homes. The township has consistently met the affordable housing requirements of the agency responsible for overseeing the state's affordable housing rules since 1985, the Council on Affordable Housing (COAH).

In 2015, the New Jersey Supreme Court ruled that the COAH administrative process for reviewing municipal compliance with the state's affordable housing requirements had become non-functioning and transferred jurisdiction over such matters from COAH to the New Jersey Superior Court. The ruling also established a judicial forum as a substitute for COAH's process for certifying a municipality's affordable housing obligation and its satisfaction.

In accordance with the Supreme Court ruling, New Jersey municipalities were provided the opportunity to seek approval of their plans for the satisfaction of its constitutional affordable housing obligation through a court filing termed a declaratory judgment action. Randolph filed its declaratory judgment action, along with the accompanying housing plan approved by the Planning Board, in March 2016 as required by the court.

At the center of the litigation is the methodology which the court will use to determine the municipal affordable housing obligations for the period 1999-2025. More than 250 municipalities in the state, including Randolph, joined together and retained an expert who proposed a methodology, which is believed fair and appropriate, and which yielded an obligation that would require less development. Fair Share Housing Center, the Builder's Association, and interested developers proffered a methodology that would require much more intensive and extensive development. The gap resulting from the differing methodologies is significant. The township's expert concluded that the estimated obligation for Randolph's third round obligation is 297 affordable units; however, the Fair Share Housing Center's expert claimed that the township's actual obligation is 1,035 affordable units. If Fair Share Housing Center's number were to be accepted by the court, the potential number of total units constructed in Randolph to satisfy that obligation with inclusionary development (four market units for one affordable unit) would exceed 5,175.

Each municipality in New Jersey had the choice of settling the matter or going to trial. To date, the municipalities that have chosen to litigate received very unfavorable outcomes after spending significant dollars arguing the case in court. In Randolph we chose to pursue a negotiated settlement of the matter, a strategy adopted by the majority of towns statewide. We are currently among a group of thirty

Country Fair Cancelled

Another township favorite, the Country Fair sponsored by the Randolph Rotary Club, has been cancelled due to the COVID-19 pandemic. The Recreation Department is currently planning several alternative fall events that recognize the need for social distancing and decreased crowd sizes. Be sure to check the township website and social media for updates on these fun, family events. The Rotary Club anticipates bringing back the demonstrations, crafts, foods, hayride, vendors, entertainment, and more in 2021!

towns in New Jersey (out of more than 300 who filed declaratory judgment actions) with pending settlement actions still before the court.

The township's team of professionals, with input from the Township Council, has spent the better part of four years in negotiations with the Fair Share Housing Center and developers/property owners who have filed motions to participate in the case (intervenors). In addition to determining the number of units needed to achieve compliance, the discussions also focused on the suitability of proposed locations for development, building type and density, and availability/capacity of utility services to support the development. Under the terms of the court mandate, the township could not simply say "no" to the development, nor could it reject development proposals on the basis of concerns of over development, impacts on the school system and/or public infrastructure such as roads. The settlement under consideration by the township contains the minimum density requirements and locations for the development that the court agreed to allow for in the process. Without a settlement, towns are unprotected from 'builder's remedy' lawsuits – opening the community up to unlimited development without restriction by local zoning regulations.

Much of what the Township Council will be considering as part of the settlement is consistent with the draft plan presented to the public in June 2019 and updated on the township website in July 2019. Under the terms of the anticipated settlement agreement, the township will have a cumulative 643 unit (affordable) third round obligation for the period concluding in 2025. The settlement agreement will permit the township to apply credit for projects previously completed and not accounted for in prior obligation rounds, as well as for bonus credits for which the township is eligible. The net number of total new affordable units which the proposed settlement will provide for under the plan is 254.

The settlement to be presented for the Township Council's consideration will feature a combination of approaches for providing the units to be developed including overlay zoning, increased density provisions for existing zones and inclusionary zoning. Overlay zoning means that the township will, by ordinance, provide an overlay zone for designated property (already developed) which would allow the property's owner to redevelop the property in the future with a higher density affordable housing project. Inclusionary zoning means rezoning property(s) to provide for an inclusionary set-aside (customarily 15%-20% of the total number of units in housing development) for affordable units. For example, if the set-aside was designated at 15% on a 100 unit development, 15 of the units would need to be set-aside as affordable units with the remaining 85 being market units.

As noted above, a major part of the township's overall plan to satisfy its third round obligation involves property specific settlements with third party intervenors. The settlements with three of the intervening parties will be memorialized in the agreement with Fair Share Housing, but also in stand-alone agreements with each individual intervenor (authorized by Township Council Resolution). New zoning ordinances will also be required, establishing the agreed upon zone requirements for each development upon the settlements being approved in a formal court proceeding known as a "Fairness Hearing." At that hearing for which public notice will be given, the court is to determine whether the settlements are fair and reasonable to the protected class of low and moderate income households on whose behalf these proceedings are taking place. A summary of each of the three developments currently under consideration for settlement agreements is outlined below.

Canoe Brook – Block 44, Lot 25

This property is located off Dover Chester Road adjacent to the Gottesman Academy. The property owner is in a contract to purchase with Canoe Brook Development Corporation. Canoe Brook is proposing a 199 unit rental development (40 affordable units) on the 12 acre property.

LYS/Sporn – Block 44, Lot 4

This property is located on Route 10 East (south side of Route 10) adjacent to the Randolph Business Campus. The property owner is in a contract to purchase with Toll Brothers. Toll is proposing a maximum 136 unit single family/for sale development (27 or 28 affordable units) on the 20 acre property.

Avalon Bay – Block 42, Lot 5

This property is located on Route 10 West (north side of Route 10) and is the site of the former Skylands Catering Facility. The property owner is in a contract to purchase with Avalon Bay. Avalon Bay is proposing a 300 unit rental development (60 affordable units) on the 20 acre property.

The remainder of the township's obligation will be made up through other projects noted in the settlement plan with Fair Share Housing Center. The plan identifies properties where the housing obligation can be met, but projects at these sites are not ready to proceed at this time. To view the overall settlement plan and other background information related to the township's efforts to comply with the court's housing requirements, residents are encouraged to visit the township website at www.randolphnj.org, click on "Government" and "Affordable Housing."

A Letter from the Superintendent

The Randolph learning community has always been committed to empowering and educating every child. When the state first ordered the shutdown of our facilities, our team was ready to fully support the social, emotional, and academic needs of students remotely. As we implemented virtual instruction, we made improvements along the way to meet the needs of every student and staff member. I am grateful to our students, staff, and families for their flexibility as we adapted to new ways of teaching and learning.

Despite continued uncertainty, the state mandated on June 26 that in-person instruction must resume in some capacity for the 2020-2021 school year. This guidance was presented with strict restrictions including social distancing classrooms and extended use of face masks. We recognized that the guidelines, while meant to keep our learning community safe, would be extremely challenging. However, we were committed to meeting these procedural changes head on by developing plans to adapt to these directives.

After months of extensively planning for re-entry to our school buildings and gathering feedback from stakeholders, we developed a hybrid learning plan that includes both in-person and virtual instruction. We tested our plan face to face

Economic Development Committee

Fall is a wonderful time of year to reconnect with local businesses and venues and the Randolph Economic Development Committee (EDC) encourages you to do just that! We have many local businesses that offer the perfect products, services and support as we embrace this autumnal season of beautiful colors and wonderful smells as the seasons begin to change.

With school back in session, if your child needs assistance or support during these unprecedented times, now is a perfect time to schedule tutoring for the school year. Randolph offers great options for SAT/ACT, ongoing class help, and college prep/planning. Additionally, there are many local yoga, art, music and dance schools for your student's extracurricular interests. For those not attending college away from home or looking to take a gap year, check out the great offerings at County College of Morris – a well-renowned institution right here in Randolph!

As we enter the fall season, grab your sweater and enjoy the crisp evening air by dining al fresco at our many local food establishments. If you prefer to dine at home, order takeout instead! Randolph is also fortunate to have some local farms at which to purchase produce – pick up some vegetables for dinner or pumpkins for the kids to carve.

However you like to spend the cooler fall days and nights, Randolph has much to offer! Visit www.randolphlocal.com for a listing of local businesses.

Randolph Lions Club Hosts 1st Annual Scarecrow Contest

Randolph Lions Club is sponsoring a community-building event to challenge residents to create and display their own scarecrow. Residents will create and display their creation on their front lawns. Scarecrows will be judged in 3 categories:

- Whimsical Fantasy
- Fun Horror
- First Responders

Price to participate is \$40 per entry. First place prize winners for each category will take home \$250! Registration has already begun but there is still time!

To register and see full contest details please visit <https://register.communitypass.net> and select Scarecrow Contest under Community Events 2020.

Veterans Community Park

Veterans Community Park construction continues and is nearing completion. The new park, which will feature an amphitheater, a 1/4-mile paved and lighted walkway loop, a Community Garden, picnic pavilions, pickle ball courts, paved and natural trails, a bathroom facility and multiple open areas for passive recreation and public events, is scheduled to be completed this fall. The Community Garden, which opened in May and sold over 150 plots, has been very successful and boasted a great growing season. A dedication ceremony for Veterans Community Park is expected to be held this October commemorating the opening of the park and honoring our Veterans. Check the township website and social media for updates on this fun, family event.

by assuming the roles of our students and staff within each scenario. By putting ourselves directly in their shoes, the exercise gave us firsthand knowledge we could use to further inform our plan. We have confidence that the plan we developed is the best we are able to provide to ensure the safety and well-being of both students and staff.

Governor Murphy released additional guidance on July 20 announcing that parents then had the option to choose an all-remote learning plan even if schools re-open in the fall. I have submitted this editorial on July 31, and as you can see from the state's new announcement, many plans can and likely will change when this is published. We are ready to adapt to any set of circumstances whether they be hybrid or 100% virtual instruction. Although we face unknowns, our students, staff, and families will have the full support needed to sustain continued growth academically, socially, and emotionally. Thank you for your continued resolve as we navigate this journey together.

Sincerely,

Jennifer Fano

Randolph Police News

Officer of the Year

Patrolman Ian Green received the 2019 Officer of the Year award. The award is given each year to an officer that consistently displays a high level of professionalism and routinely goes above and beyond in their duties. "Officer Green did an outstanding job in 2019 in all areas and is a fabulous representative of the Department," Chief David Stokoe said. Congratulations Patrolman Green!

New Police Officer

Officer Daniel DeVito grew up in Lincoln Park, New Jersey, and graduated from Rutgers University in December 2015 with a Master's Degree in Accounting. After working in the accounting field, he became certain it was not his life's work. Officer DeVito then began to pursue a career in law enforcement to fulfill his passion for helping others and his desire for working in a dynamic environment. In January 2020, he began the alternate route program at the Morris County Police Academy where he was hired by the Randolph Township Police Department. Officer DeVito enjoys fishing, vintage jet skis, the great outdoors, and spending time with friends and family.

Thank You

The Randolph Township Police Department would like to extend a "thank you" to the residents of Randolph, as well as to the local businesses. The Covid-19 pandemic has truly been a trying and unprecedented time for all. Residents and business owners often called or stopped by to express their gratitude or to show support during the peak of the pandemic. The Police Department truly appreciates the support from the community.

Retirement

Detective Neil Caufield retired from the Randolph Police Department after 25 years of dedicated service. He began his career with the Randolph Police Department as a patrolman in 1995. Throughout his career, Detective Caufield received several awards including three Life Saving, two Honorable Service, two Grand Cordon, an Exceptional Duty, and one for Academic Achievement. Enjoy retirement detective!

Randolph Rescue Squad

Vital Community Service Continues

Six long months have passed, one day at a time, and the challenges continue. Randolph Rescue Squad (RRS) members continue to deal with the ups and downs confronting the COVID-19 pandemic. We wholeheartedly commend our mayor, residents, Township Council, Township Manager, municipal employees, police and fire departments, senior citizens, businesses, school staff members, students, neighbors, families, and many other individuals. Under these circumstances, there was no Freedom Festival, no booths, no fireworks; no parade in which to wave and chat with residents; and no opportunities for us to celebrate and stand-by at traditional graduation ceremonies.

However, Squad members have experienced, in abundance, cooperation and comfort because our whole Randolph community has remained strong. We are sincerely grateful for your donations, both financial and PPE supplies. Messages of encouragement and thanks continue to bolster us. Squad members and Juniors were pleased to conduct many "birthday celebration" drive-bys throughout the summer months. Supporting one another and connecting with our friends and neighbors remain an ongoing source of satisfaction for RRS.

On a personal note, two of our members, Adam Glauberg and Steve Jancarek, earned life member status based on their 10 years of dedicated service. Several of our Juniors are now high school graduates – congratulations to Christina Michener, Amanda Houston, Art Nagle, Daniella Dasti, Mariah Ochieng, Elijah Mure, Taylor Haun, Cindy Gao, Kithmy Wick, and Scott Schachter! We are also proud of RRS members Jenna Luciano, Eric McKee, Julia Forman, and Caitlin Costello who are now college graduates. In August we sponsored a much-needed Blood Drive coordinated by RRS member Michele Dempsey. Our decision to finish the second floor of Headquarters is in the final planning stage. Team effort and positive thinking have enabled the Squad to continue moving forward.

We are optimistic and hope you will consider becoming a member of the Randolph Rescue Squad. Give yourself the opportunity to JOIN OUR TEAM. We will support your training and welcome you as a member of this vital community service organization. Most importantly, we urge all members of the Randolph community to be cautious and vigilant: look out for family, friends, associates, neighbors, and yourself. Wear a mask, wash your hands, use sanitizers, and continue to observe social distancing. Good health is the goal for everyone.

An Interview with the Randolph Township Public Health Nurses

Ginny Maico began working for Randolph Township in 1994 as the Public Health Nurse Supervisor, bringing with her a wealth of knowledge and enthusiasm. Prior to joining the Randolph Township team, Ginny had a successful career at Atlanta's Children's Hospital and the Dekalb County Health Department. In Randolph Township, Ginny has a hard working and dedicated team of nurses, including Beverly Mooney, RN, and Victoria Cosenza, RN. The Public Health Nurses play an integral role in our community ensuring the health and safety of every resident while maintaining a high level of professionalism. Since the Coronavirus (COVID-19) pandemic hit, their vital role has become even more apparent, adding an entirely new list of responsibilities.

How has COVID-19 affected you and your department?

Prior to COVID-19, the nursing office was very busy keeping up with the normal public health challenges every community the size of Randolph Township must manage. Since the pandemic we have had to direct our efforts 100% to COVID-19. Our department is consumed with identifying every positive case of COVID-19 as well as identifying any person with which they may have come in contact. Because of social distancing requirements, we are forced to work apart from one another. In order to identify all of the positive cases and their contacts, we have had to work seven days per week and for longer hours.

What precautions is your department taking to ensure the safety of the residents and township employees?

Aside from identifying and tracing all positive cases of COVID-19 and ensuring that people know when to quarantine and how to do it properly, we are also making sure that we have enough personal protective equipment (PPE) for any interaction with residents. Township offices were closed to the public for nearly four months. Since early July, the public has been allowed very limited access to the buildings, with facial coverings required. Employees are required to wear facial coverings in the public areas of the building and maintain social distancing, they must sanitize their work stations daily, and must stay home if feeling ill.

What has been the hardest part of your job during the pandemic?

There have been three main challenges:

- Making the public aware of the severity of this disease.
- Speaking with people who are sick or who have lost loved ones as a result of the Coronavirus. We talk to every single person who has contracted the disease and it is heart breaking and truly takes an emotional toll on us.
- Reaching people impacted by the illness. When members of the COVID-19 team of investigators from the Randolph Township Health Department call, they may be using their personal cell phone instead of an office phone. Often people do not answer the call since it is not a familiar number. The investigator will first leave a voice message and then send a text message. Unfortunately, if a person's mailbox is full, a

message cannot be left. Residents are encouraged to empty their cell phone mailbox so that a message can be left, if necessary.

What do you want people to know?

The wealth of knowledge required to be a Public Health Nurse is vast; we have to be ready for anything. We would also like the residents to know of all of the Public Health programs offered by the township:

- Male & Female Cancer Screenings
- Skin Cancer Screenings
- Blood borne pathogen trainings
- Immunization audits
- Adult and Child Immunizations
- Home Visits

Those are just a few of our programs. For a complete list, please visit the township website, www.randolphnj.org, click on "Services" and "Health & Wellness."

The Public Health Nurses also have the support of the entire Health Department, which has proven to be invaluable. We work as a team; having the guidance of Health Officer, Mark Caputo and support from the staff, Kathy Heath, Ann Marie Ryan, Paul Fortunato, Karolyn Kimble, and Wendy Demko have greatly enabled us to serve the residents. We are always here for our residents, not just during the pandemic. We are here to serve the public, and happy to do so.

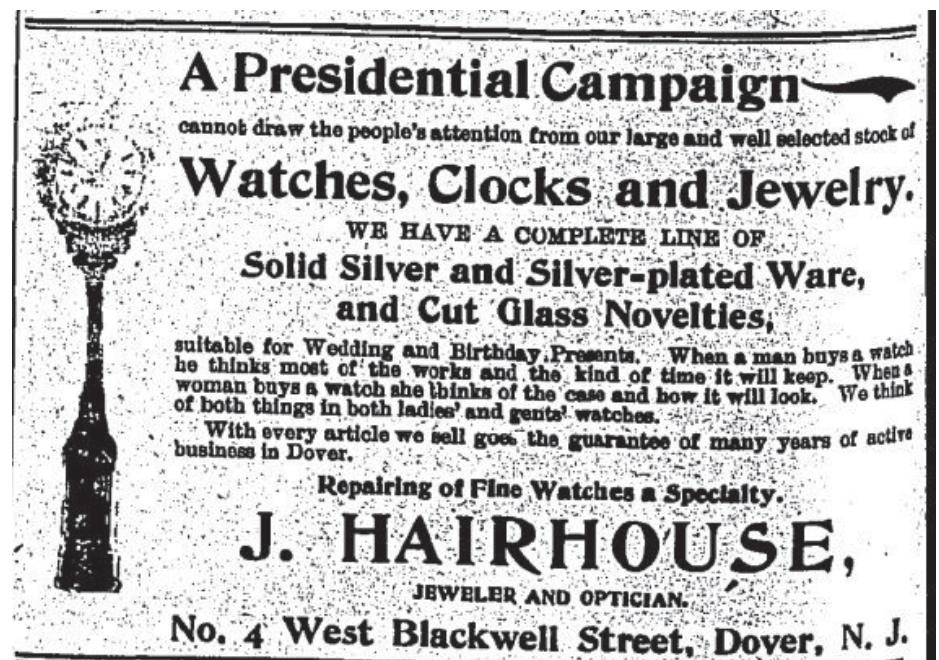

The Historical Society of Old Randolph

This vintage advertisement from the October 26, 1900 issue of the IRON ERA Newspaper makes both a political and retail marketing statement. It catches the reader's attention with the nationalistic fervor for the upcoming 29th U.S. quadrennial presidential election to be held on Tuesday, November 6, 1900. But more importantly it advertises their large inventory of watches, jewelry, clocks, silver wares, and cut glass novelties suitable for wedding and birthday presents that can be found at the business of Randolph's citizen Julius Hairhouse, 4 West Blackwell Street, Dover, New Jersey.

Born May 21, 1846 in Prussia, Julius Hairhouse arrived in the United States on April 14, 1866, and became a naturalized citizen on February 9, 1874. Anna H. Miller was born in Germany in 1853. Julius and Anna were married on April 13, 1875 in Morris Plains, New Jersey. The 1880 U.S. Census for Randolph Township documents Julius and Anna living on Elliott Street in Dover (*Dover was a city within Randolph Township until it became fully independent from Randolph in 1896*).

The U.S. Censuses from 1880 – 1915 documented Julius as a jeweler. In the nineteenth century and into the first part of the twentieth century, it was not uncommon for jewelers to showcase precious metal eyeglass frames which they would fit with optical lenses for the general public. For this reason, the vintage advertisement notes J. Hairhouse as a "Jeweler and Optician."

Julius died in 1917 and was buried at the Orchard Street Cemetery in Dover. Anna died not long after the 1930 Census and was buried next to Julius, with her headstone carved, "his wife."

Randolph Library

Fabulous Fall Reads at Randolph Library

Whatever your reading preferences, the library has much to offer! With autumn weather comes many new book titles in all genres; why not stop in and check out our New Books section? We also continue to add new digital books and audiobooks to download via the CloudLibrary app, and we are happy to answer questions regarding how to access books electronically. Did you know that we have customized brochures listing a variety of titles in each genre? Please take some home with you!

This season's crop of new books offers something for every reader's tastes. Here are just a few: J.K. Rowling, writing as Robert Galbraith, offers *Troubled Blood*, her fifth Strike & Robin novel. Vince Flynn returns with *Total Power*, his sixth Mitch Rapp political thriller. Ken Follett's Kingsbridge series continues in *The Evening and the Morning*, a prequel to his bestselling *The Pillars of the Earth*. Popular Neapolitan author Elena Ferrante's latest story of life in Naples, *The Lying Life of Adults*, has been optioned for film by Netflix. Fredrik Backman, author of *A Man Called Ove*, returns with *Anxious People*, a poignant novel about a crime that never took place. Yaa Gyasi pens an intimate portrait of a Ghanaian immigrant family in *Transcendent Kingdom*.

In mystery, Chief Inspector Armand Gamache returns in Louise Penny's *All the*

Devils Are Here. In J.D. Robb's fifty-first Eve Dallas novel, *Shadows in Death*, danger resurfaces from her husband Roarke's past. *One by One* is the new mystery by Ruth Ware, whom David Balacci calls "The Agatha Christie of our generation." In paranormal suspense, Christine Feehan's *Dark Song* is the newest in the Carpathian series. In sci-fi, grown-up teen phenomenon Christopher Paolini offers his first adult novel in the space opera *To Sleep in a Sea of Stars*.

Romance readers will enjoy Nicholas Sparks' *The Return* and Susan Mallery's *Happily This Christmas*. Jodi Picoult's *The Book of Two Ways* is a bittersweet story of second chances. Time travel fans will like Jude Deveraux's *Chance of a Lifetime*, set in both 1844 Ireland and present-day North Carolina.

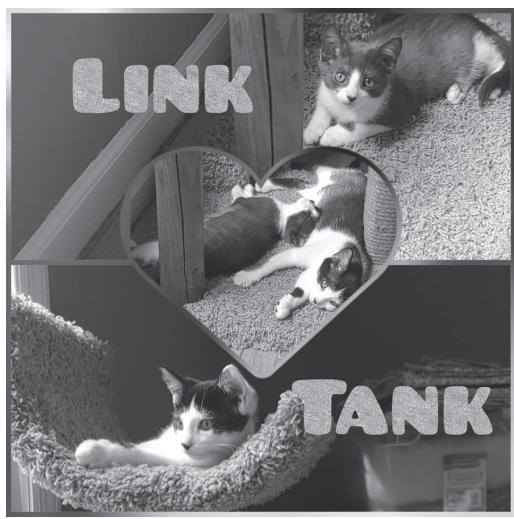

In narrative non-fiction, Jenna Bush Hager offers a heartwarming reminiscence of her beloved grandparents, George and Barbara Bush, in *Everything in Its Time*. Bill O'Reilly presents his latest historical biography, *Killing Crazy Horse*.

These new titles are but a tip of the literary iceberg at the library! Please stop in or check the online catalog and the CloudLibrary app to see much more! We hope to see you soon. Happy reading!

Randolph Library Children's Services

With autumn comes the changing of the seasons. What changes will the library see this autumn? Only time will tell. We do know that September is Library Card Sign-up Month. We encourage all Randolph children, five years and older, to sign up for a library card. We have so many wonderful books, media, and resources for children to use that we don't want you to miss anything!

When we think of autumn, we think of falling leaves, apples, pumpkins, trick or treating, and family gatherings with lots of food! Autumn also means winter is right around the corner with cold nights and winter holidays. We will have ways to make the changing of the seasons as fun as possible. Stories to share, crafts to make, and adventures to have are just around the corner at the library this season. We will continue to offer a wide variety of virtual programs for children of all ages to enjoy. Please check our website, social media, and newsletter for details on upcoming programs.

The Randolph Regional Animal Shelter

The Randolph Regional Animal Shelter never runs out of homeless animals! There are many dogs, cats and other animals at the shelter. In order to keep everyone safe, adoptions are being completed by appointment only. Many animals have found their forever homes this way, and both the shelter staff and adopters appreciate the precautions being taken.

If you would like to know more about the available animals, events, success stories and more, please check out our Facebook page, Friends of Randolph Regional Animal Shelter. You may also check out the Randolph Regional Animal Shelter website, www.RandolphRegionalAnimalShelter.org, to see the animals available for adoption. If you're interested in adopting the love of your life, please contact us for an appointment.

Parks, Recreation and Community Services

Fall Sports

To establish the policies and procedures for the return to play with our sports programs, the Recreation Department utilized the "Guidance for Sports Activities" published by the New Jersey Department of Health (NJDOH). This document was created with the intent of guiding organizations that oversee sports activities to ensure the health and safety of staff, participants, and their families. In addition, the individual sports committees, in conjunction with the Recreation Department, developed plans specific to their program. Those plans were then submitted to the Randolph Township Health Department for approval. All sports participants were required to sign a COVID-19 release waiver in order to participate. To read the NJDOH guidelines, visit the Recreation page of the township website.

Food Pantry

If you are a Randolph Township resident and have financial need, the Randolph Township Community Services Department operates a food pantry located at the Community Center on Calais Road. Residents are welcome to request food at anytime during the year. If you need services, call Monday through Thursday between 8:30 a.m. and 4:30 p.m.; your supplies can be picked up on Friday.

There will be a holiday distribution for food in November and a distribution for the Wish Tree in December. If you are requesting food for the holiday distribution and/or gifts from the Wish Tree, you must contact the Community Services Department at 973-989-7084 to obtain a form to be completed and returned by October 30th.

Holiday Food Distribution

Thursday, November 19th, 4:00 p.m. – 6:00 p.m.

Wish Tree Distribution (children 12 yrs old and younger)

Thursday, December 17th, 9:00 a.m. – 4:00 p.m.

Brundage Park Playhouse

Royal Princess Party

Saturday, October 3 at 2:00 p.m.

On the lawn between the Randolph Library and the Community Center

We officially invite you to the Brundage Park Playhouse Royal Princess Party! Join Ariel, Rapunzel, Belle, Jasmine, Moana, Anna and Elsa to celebrate a fun-filled event for all the aspiring little princesses and their parents. There will be singing, dancing, fun with games and a craft to fulfill your royal desires. Tickets will go fast and seating is limited as we follow safety protocols, so do not hesitate to save your place at this delightful event! Advanced ticketing only; \$15 per ticket. No tickets will be sold at the event. Bring your chair and mask and get ready for fun times.

Outdoor Comedy Show II – "Hoot and Holler"

Saturday, October 10 at 6:00 p.m.

On the lawn between the Randolph Library and the Community Center

Due to popular demand, we bring you a second opportunity to spend an evening with "hoots and hollers" featuring side splitting comedy performers. Host Shafer Ward returns with a troupe (new acts plus old returning favorites) that will bring back some much-needed humor and laughter into our pandemic laden lives. Act fast to reserve your seats as tickets sold out quickly last time! Advanced ticketing only; \$15 per ticket. No tickets will be sold at the event. Bring your chair and mask!

Tickets for both events are available online through the Community Pass system. If you have any questions, please call Brundage Park Playhouse at 973-989-7092.

Senior Programs and Events

TRANSPORTATION SERVICES

COVID-19 guidelines for Dial-A-Ride Program will be one person per vehicle for medicals and four people per shift for shopping.

Shopping Bus:

Transportation to local shopping centers two days a week.

Monday Roxbury/Ledgewood Shopping Center

Wednesday ACME

Arrangements for transportation must be made by phone at least 24 hours in advance.

Medical Bus:

Transportation to and from doctor's office. This service is available Monday-Thursday only. Appointments are available 9:00 a.m. – 3:00 p.m. **It is best to call and schedule a ride as soon as you have made a medical appointment.**

ACTIVITIES

All meet in the Senior Room at the Community Center on Calais Road.

Randolph Monthly Socials:

Meets the first Tuesday of every month at 11:00 a.m. Recreational, social and educational programs will be offered. The program is open to Randolph Township residents age 60 years and older. An annual fee of \$10 per person will be collected to provide a Senior ID Card as well as additional benefits such as direct notifications, special events and trips, and several other activities at no added cost. Contact Barbara Lukavich at 973-989-7084 for additional information.

Cards:

Meets every Tuesday at 10:00 a.m. Coffee, tea and cards are provided. Bring your lunch and enjoy the day. *No transportation provided.*

Bingo:

Meets on the second and fourth Wednesday from 11:30 a.m. to 2:00 p.m. Cost is \$1 per card; please bring exact change. *Transportation provided.*

Sewing:

Meets the third Friday of every month at 9:00 a.m. *No transportation provided.*

SPECIAL EVENTS

October-November-December

Events will begin as soon as COVID-19 guidelines from the state are received.

Senior Holiday Luncheon:

This fun annual holiday celebration will be held on Tuesday, December 8th, beginning at 12:00 p.m. at the Community Center on Calais Road. This is a great day to interact with friends before the holiday and enjoy a delicious lunch. Fee is \$5 per person. Transportation is available – please call 973-989-7084. **Randolph Residents Only. No Refunds. Seating is limited so buy your ticket early.**

Senior Trips:

Transportation is available for the following events.

October 8: Lunch at Adam's Family Restaurant in Budd Lake at 11:30 a.m.

October 22: Breakfast at the Randolph Diner in Randolph at 9:30 a.m.

October 30: "Hocus Pocus" will be shown at the Community Center at 1:00 p.m. Free!

November 5: Shopping at Walmart in Flanders

November 13: Shopping at Rockaway Townsquare Complex

December 4: "Last Christmas" will be shown at the Community Center at 1:00 p.m. Free!

December 17: Shopping at Denville Commons

Other trips and events may be added. Call the Community Service Department at 973-989-7084 for more information, to register for the trips, or if you need transportation. A minimum of five people is needed to run the bus.

2020 Leaf Collection Information

The Department of Public Works will begin the township's annual Leaf Collection Program at the end of October. Residents are reminded of the requirements of the program:

- Residents, landscapers, contractors, and lawn services may place loose leaves at the curb.
- Leaves should be placed only in locations on the property ten or more feet from any storm sewer inlet on the street.
- Only leaves should be placed at the curb; brush, grass, rocks and any other materials should never be included with the leaves.
- Leaves cannot be placed at the curb any earlier than seven days prior to the week of the scheduled collection date.**
- Leaves need to be placed at the curb prior to the Saturday in which your district is scheduled to begin pick up.**
- Residents are urged to dispose of leaves on their own properties whenever possible since the stormwater regulations instituted by the state make it necessary to reduce the volume of leaves placed at the street.

- Blowing leaves into wooded areas, placing leaves on acid loving plants such as pachysandra, or creating backyard compost piles will minimize costs associated with the collection and trucking of the leaves to a compost facility outside the township limits. Such disposal in wooded areas or on acid loving plants is also beneficial to properties.
- Placing leaves and other yard waste on township parkland and open space is not permitted and is a violation of state regulations.

Violations of any of the above requirements will continue to be enforced by the Health Department and could result in a court summons being issued.

For residents who prefer to place leaves in biodegradable bags instead of waiting for their district's scheduled collection, the Department of Public Works will collect the bags on Mondays. However, residents must schedule a Monday collection by calling the Engineering Department at 973-989-7066 by 3:30 p.m. on the prior Friday. This service is offered as a courtesy to residents.

Anticipated Collection Schedule (Start dates are Saturdays)

DISTRICT 1 : South of Pleasant Hill Rd., Calais Rd. & Sussex Tpke., and Sussex Tpke. to Morris Twp. border
When: Weeks of 10/24 and 11/21

DISTRICT 2 : North of Route 10
When: Weeks of 10/31 and 11/28

DISTRICT 3 : North of Pleasant Hill Rd. & Calais Rd., south of Route 10, and west of Millbrook Ave.
When: Weeks of 11/7 and 12/5

DISTRICT 4 : East of Millbrook Ave., south of Route 10, and north of Sussex Tpke.
When: Weeks of 11/14 and 12/19

Water & Sewer Project Update

CCM & Meadowbrook Sanitary Sewer Pump Stations

Plans and specifications for improvements to the existing County College of Morris (CCM) Pump Station located on the CCM campus and the existing Meadowbrook Pump Station located in the Meadowbrook Road area are currently being completed for permitting and construction. Improvements will include pump replacements and upgrades to equipment and overall infrastructure. Construction slated for spring of 2021.

Farm Road & Arnold Drive Sanitary Sewer Project

The Randolph Township Engineering Department is preparing plans and specifications for expansion of the sanitary sewer system along a portion of Farm Road and Arnold Drive. There are currently 'dry' sanitary sewer mains in portions of Farm Road and Arnold Drive and active sanitary sewer mains in another portion of Arnold Drive. The township will extend the dry sanitary sewer to connect to the existing active sanitary sewer mains which will allow approximately 15 residents that are currently connected to their own septic systems to connect to the township's sanitary sewer system. Plans, specifications, and permitting are scheduled to be completed this winter, with construction slated for spring 2021.

Fire Hydrant/Water System Maintenance

The Randolph Township Water & Sewer Department will continue to perform maintenance and replacement of fire hydrants and water system valves throughout the township's water system. Township crews will be painting and placing identifying labels on township-owned fire hydrants and checking all inline water system valves for proper operation. If you have any concerns regarding fire hydrants or other water/sewer infrastructure-related issues, please contact the Engineering/Water & Sewer Department at 973-989-7066.

Stormwater Management Facilities

Residents should be aware that during fall maintenance and clean-up of their properties, grass, leaves, branches and other debris should not be directed or discharged onto neighboring properties, township properties, or stormwater management facilities such as detention basins, drainage ditches, swales, inlets or manholes. Placing debris in these facilities is likely to cause flooding and adverse impacts to all surrounding properties.

Bulk Trash Collection Week

The fall bulk trash collection will take place the week of September 21. This collection is simply an extension of your one-item-of-bulk-trash per weekly curbside collection service available to residents throughout the year. Recyclable items (i.e., metal, paper) and prohibited items (i.e., waste building material, items weighing more than 200 lbs.) will not be picked up during the bi-annual bulk collection and weekly curbside trash collection. Bulk items must be at the curb prior to 6:00 a.m. Monday, September 21. Please be sure to clearly separate regular household trash from your bulk collection items. As always, bulk collection will take place on your street once; no return trips will be made. If you have questions about acceptable bulk items, please call the Health Department at 973-989-7050.

ITEMS ACCEPTED:

Furniture • Mattress • Box spring • Couch
Rugs and carpeting (rolled and tied in 4 foot lengths)

Paper Shredding Services Saturday, September 26

The Health Department will provide confidential paper shredding services to residents for their personal confidential documents, free of charge, at the Municipal Building between the hours of 9:00 a.m. and 12:00 p.m. Please note that the service is:

- For Randolph residents only
- For only personal, confidential documents generated in the home (not commercial or home-business generated)
- Limited to 3 file boxes per household (file box=1.5 cubic feet)
- Not for junk mail and store flyers or solicitations

Due to the pandemic, this will be a non-contact event. Please follow the traffic pattern, park where directed, and remain in your car. A Randolph Township Department of Public Works employee will assist you.

Thanksgiving Holiday Garbage and Recycling Collection Schedule

There will be no garbage or recycling (Route #3) collection on Thursday, November 26 due to the Thanksgiving holiday. The make-up collection will take place on Friday, November 27. Be sure to have containers at the curb no later than 6:00 a.m.
