Economic Development Committee Recognizes Local Businesses with Awards

The Randolph Economic Development Committee (EDC) has been recognizing local businesses annually through its Business Achievement Award program for over 30 years. The 2021 award winners were NJ Pest Control and Brightview Senior Living. To be considered for the award, businesses must be located in Randolph for a minimum of three months, exhibit ethical and responsible business practices, and either have recently constructed or expanded their business headquarters and/or demonstrated their commitment to the community through civic engagement and support.

NJ Pest Control, founded in Randolph in 2001 by Gulf War U.S. Navy Veteran Russ Sieb, has been dedicated to providing effective, environmentally friendly pest control for residential and commercial properties. NJ Pest Control strives to be the best exterminator of wood-destroying insects to protect the community from huge financial losses. They aim to provide honest, reliable, and ethical pest and nuisance wildlife solutions in Northern New Jersey. NJ Pest Control contributes to the community by supporting various groups and events including many of Randolph's recreational programs, as well as donating services to the Randolph Rescue Squad. In addition, NJ Pest Control provides discounts to military, police and fire personnel, and United States veterans.

Brightview Senior Living of Randolph, the fifth Brightview community in New Jersey, features Independent Living apartments with services and resort-like amenities as well as dedicated Assisted Living apartments and the innovative WellSpring Village® neighborhood for dementia care. Brightview Senior Living of Randolph focuses on five elements of wellness for seniors called SPICE: Spiritual, Physical, Intellectual, Cultural, and Emotional. The staff at Brightview Senior Living is committed to providing unparalleled customer care for seniors both physically and emotionally. Brightview Senior Living contributes to the community by supporting various groups and events such as the Alzheimer's Association, Toys 4 Tots drives, 11th Hour Rescue pet adoptions, and working with many first responders and veterans groups.

The EDC, along with the Mayor and Township Council, are pleased to congratulate these businesses for their continued contributions to Randolph Township.

Morris Habitat for Humanity Celebrates Groundbreaking for 25 New Affordable Housing Units in Randolph

On October 18th, Mayor Mark Forstenhausler, members of the Township Council and Township Manager Steve Mountain joined Morris Habitat for Humanity, State and County leaders and numerous other dignitaries to commemorate the groundbreaking for a 25-unit condominium project on Bennett Avenue. Upon its completion, the project will provide housing for low to moderate income families.

The groundbreaking ceremony kicked off the construction phase of a multi-stage redevelopment project that Randolph Township and Morris Habitat for Humanity have been partners on since 2007. The township acquired the 2.5 acre property on Bennett Avenue through a tax foreclosure, and spearheaded efforts to remediate the brownfield site utilizing funds from the township's affordable housing trust fund, a reserve account solely supported by affordable housing fees collected from township development projects. In July of this year, the property was transferred to Morris Habitat for Humanity under an agreement that they complete site improvements and construction of housing units using the balance of trust fund dollars dedicated for the remediation and proceeds from their own fundraising efforts.

Morris Habitat for Humanity is hoping to 'cut the ribbon' on the first completed affordable unit in 2022. The 25 units will be built on the site across four buildings, along with a community center, a playground and a gazebo. The Bennett Avenue project is the largest in the organization's thirty-five year history. To support this ambitious undertaking, Morris Habitat for Humanity is actively raising capital through a variety of different fundraising efforts. For more information on how to donate to the project, residents are encouraged to visit the Morris Habitat for Humanity website, morrishabitat.org.

RANDOLPH *in brief...*

A Message from the Mayor

As 2021 comes to a close, I look back with many fond memories. It was an incredible honor to have served as Mayor of Randolph Township for a second time this past year. As COVID-19 vaccinations became available we were all finally able to get out more. Thankfully, Zoom faded away and many postponed events were finally able to be held safely. I have always enjoyed opportunities to help others, so officiating marriage ceremonies that had been postponed was a real pleasure. Our local scout troops were also able to hold Eagle Scout ceremonies, and I was fortunate to attend all of them.

Randolph is truly blessed with people who care and who volunteer to make our community better with each passing day. Thank you to all of those who coach and mentor our youth. Thank you to Randolph Township Manager Steve Mountain, Deputy Mayor Marie Potter, the Township Council, our municipal employees, and our Recreation Department, who have all worked so hard and given so much of themselves to help Randolph get through this difficult time. I especially want to thank our Health Department for their guidance, the police who keep us safe, our EMS volunteers who provide emergency medical care in spite of the dangers of infection, and our volunteer firefighters with whom I have so proudly served for the past 27 years.

We have seen so many projects moved forward this year. Veterans Community Park is now fully open and our new "Hometown Heroes" banners fly proudly. Our Community Garden has proven to be a big success with all available beds filled and a significant waiting list. Our Township Council always asks the public for ways to improve our township, and some of those recommendations include adding to our 16 miles of Randolph Trails, with more improvements to come.

Our economic outlook is bright coming out of the pandemic lockdowns. Our Chamber of Commerce and Economic Development Committee are very active and filled with many dedicated volunteers. New businesses are again opening; ribbon cutting ceremonies were held for Wawa, Hibiscus Island Grill, Silver Lake Physical Therapy, Lightbridge Academy, Weis Markets Grand-Reopening, VB Rags Volleyball Academy, NJ Battle Zones, Ivy Rehab Physical Therapy, Manjares Del Caribe, Fort Nonsense Brewery, and Sports Care Arena.

May everyone enjoy happy holidays, and a healthy, prosperous and peaceful New Year.

Warm Regards,

Mark H. Forstenhausler
Mayor

From the Tax Office

2021 AND PRIOR YEAR(S) OPEN PROPERTY TAX AND WATER AND SEWER CHARGES

As the year comes to a close, please be sure that your tax and water and sewer charges are up to date. Any 2021 and prior year(s) open balances extending into 2022 may be subject to further action, including water and sewer shut off and tax sale. If your open charges are subject to tax sale, a lien will be placed on your property. For information regarding your payoff amount or any other questions, please contact the tax department at 973-989-7047 or the water and sewer department at 973-989-7063.

ONLINE PAYMENTS FOR PROPERTY TAX AND WATER AND SEWER CHARGES

Residents can pay property taxes and water and sewer charges online at randolphnj.org using a checking account. Please note that there are no fees charged to use this method of payment; this service is **FREE**.

AUTOMATIC PAYMENTS FOR PROPERTY TAX AND WATER AND SEWER CHARGES

Residents may sign-up for "automatic" payment for property tax and water and sewer charges by completing an application. Applications can be downloaded from the township website. For further assistance, please call the tax department at 973-989-7047 or the water and sewer department at 973-989-7063.

Randolph Township Welcomes New Residents

On September 25th, the Township Council hosted an open house at the Municipal Building to welcome and help orient new residents to the community.

The Township Council implemented the welcome program a few years ago as a means to address questions posed by new residents regarding the township government and services. This year's event coincided with the Country Fair, and featured an opportunity to meet with members of the Township Council, the Township Manager, and elected representatives from the State and County. After a brief presentation covering the township's operational structure and services, attendees were given a tour of the Municipal Building and the opportunity to ask questions and exchange ideas with their elected representatives.

Residents who were unable to join the Township Council for the open house event can obtain a copy of the information packet prepared for the event using the QR Code accompanying this article.

Township Appoints New Chief Financial Officer

Debbie Bonanno has been appointed as the Township's new Chief Financial Officer, replacing Darren Maloney who retired from the position at the end of September. Ms. Bonanno comes to Randolph with over ten years of municipal government experience, having served most recently as the Borough Administrator/Chief Financial Officer in Franklin Borough and the Township Administrator of Mendham Township. Her background also includes over fifteen years of experience in public and corporate accounting. Ms. Bonanno possesses both a Certified Municipal Finance Officer (CMFO) license as well as a Qualified Purchasing Agent (QPA) designation. She is a graduate of Youngstown State University, where she earned a Bachelors of Science in Business Administration and the Rutgers University Financial Management Program.

Ms. Bonanno has a daughter who is a nurse practitioner and a son who serves with the Navy in a Seabee Unit. In her free time, she enjoys cycling and spending time with her dogs.

Christmas Tree Collection

The Randolph Township Public Works Department will be picking up residents' Christmas trees this holiday season. The trees must be bare with no stands, ornaments, lights, tinsel, etc. Christmas trees must be put out at the curb no later than January 10th.

Trees put out later than this date WILL NOT be picked up by the township. However, Christmas trees will be accepted at the Recycling Center anytime during normal working hours.

Ironia Road Renamed Ironia Mendham Road

On October 7th the Township Council passed an ordinance to change the name of Ironia Road in Randolph Township to Ironia Mendham Road. Numerous residents on the road have long experienced delivery issues as they shared duplicate addresses with Ironia Road in Chester Township, located several miles away, which also has the 07869 zip code. Randolph officials have reached out to the Postal Service over the years to request a zip code change for the road in Chester, but were only able to get the four digit zip code extension added.

Recently, there were several occurrences in which emergency services arrived at the Randolph location for incidents in Chester and vice versa. Fortunately, the response delays did not result in permanent harm, but they did highlight the potential seriousness of the duplicate addresses. The name Ironia Mendham Road was chosen as this was the name of the road prior to 1972. If customers forget and use the old road name, not to worry: the Postal Service has already linked it to the new name in their computer system.

Flu Vaccines Available by Appointment

Get your family vaccinated against flu this season. The Randolph Township Health Department carries flu vaccine for children (6 months and up), adults, and seniors. To schedule a flu vaccine, please call the Public Health Nurses at 973-537-7118. The vaccine is free for uninsured, underinsured, NJ Family Care, and Medicare Part B, or available for \$20 cash or check for those with private insurance.

Health Department Offers Vaccines for Adults and Children

The Randolph Township Health Department offers vaccine clinics for adults (Section 317 vaccines) as well as Vaccine For Children (VFC). These vaccines are available to those who are uninsured or underinsured.

Please visit randolphnj.org for a complete list of vaccines available for adults. All childhood vaccines required by the American Academy of Pediatrics are available.

Upcoming Clinic Dates:
January 18, February 15 & March 15
2:00 – 5:00 p.m.
Municipal Building, 502 Millbrook Avenue

Please contact the Public Health Nurses at 973-537-7118 with any questions or to schedule your appointment.

Tips for Generator Usage during Power Outages

The Randolph Township Fire Official and Jersey Central Power & Light remind customers to take precautions when using generators during power outages. To ensure the safety of residents as well as that of utility company employees who may be working on power lines in the area, the proper generator should be selected and installed by a qualified electrician. At a minimum, such generators should be sized to support the operation of a furnace, refrigerator/freezer, and at least one light. If you have medical equipment or other special equipment in your home, those too should be able to work off of the generator. Many township residents have wells for their water; a more powerful generator is required to keep the well pumps operational. Improperly installed generators can malfunction, resulting in injury or even death.

Generators should be placed away from the structure, in a well-ventilated area and always have a working carbon monoxide (CO) detector in your home. The fire department receives many CO calls during storms, and often finds generators running in a dangerous location.

Protect your Pipes and Water Meter this Winter

Winter weather is right around the corner, so now is the time to conduct inspections and maintenance around your home to prevent water damages from frozen pipes and water meters.

Why Water Freezing is a Problem

As the outside temperature falls, water inside non-insulated pipes and water meters will expand as it freezes and generate increased pressure on whatever is containing it. Regardless of the strength of materials, expanding water can cause pipes and meters to break.

Typically, pipes and water meters that freeze are:

- Pipes that are exposed to severe cold such as outdoor hose bibs and swimming pool and water sprinkler supply lines.
- Water supply pipes and water meters in unheated interior areas like basements and crawl spaces, attics, garages, or kitchen cabinets.
- Pipes that run against exterior walls that have little or no insulation.

How to Protect Pipes and Water Meters from Freezing

To protect pipes and water meters from freezing, you should take action outdoors before the onset of cold weather, and indoors once it’s here:

Outdoors:

- Drain water from swimming pool and water sprinkler supply lines following manufacturer’s or installer’s directions.
- Remove, drain, and store outdoor hoses. Close inside valves supplying outdoor hose bibs. Open the outside hose bibs to allow water to drain. Keep the outside valve open so that any water remaining in the pipe can expand without causing the pipe to break.
- Add insulation to attics, basements and crawl spaces. Insulation will maintain higher temperatures in these areas.
- Check around the home for other areas where water supply lines and water meters are located in unheated areas. Both hot and cold water pipes and water meters in these areas should be insulated.
- Consider installing specific products made to insulate water pipes like a “pipe sleeve” or installing UL-listed “heat tape,” “heat cable,” or similar materials on exposed water pipes.
- To provide increased protection from freezing, consider relocating exposed pipes and water meters.

Indoors:

- Open kitchen and bathroom cabinet doors to allow warmer air to circulate around the plumbing.
- When the weather is very cold outside, let the cold water drip from the faucet served by exposed pipes. Running water through the pipe, even at a trickle, helps prevent pipes from freezing.
- Keep the thermostat set to the same temperature both during the day and at night. By temporarily suspending the use of lower nighttime temperatures, you may incur a higher heating bill, but you can prevent a much more costly repair job if pipes freeze and burst.
- If you will be traveling during cold weather, leave the heat on in your home; set to a temperature no lower than 55° F.

Snow Removal Reminders

Snow Removal and Mailbox Damage

One of the unintended consequences of any municipal snow removal program is mailbox damage. In most cases, damage to mailboxes results from snow being displaced from truck plows into the township right-of-way. The township plow drivers make every effort to avoid such damage; however, sometimes the impact on mailboxes is unavoidable.

Residents are advised that it is the policy of the township to not replace mailboxes damaged during the snow removal process.

To guard against mailbox damage, we ask that residents ensure proper mailbox placement within the township right-of-way. Mailboxes should not protrude beyond the curb line into the street as to prevent any damage from plows removing snow from township streets. The United States Postal Service has guidelines regarding mailbox placement which can be found at www.usps.com/manage/mailboxes.htm; these guidelines can also be found on the township website at randolphnj.org.

Residents are encouraged to check mailboxes now to ensure that they are as secure as possible.

Snow Removal Ordinance

Local Ordinance #44-82 states that if the sidewalk in front of your house is on a “Designated Walking Route” for school children, you are required to clear the sidewalks of any snow or ice accumulation within 12 hours of daylight following a snow or ice event. If your sidewalk is not on a designated walking route, it must still be cleared within 24 hours of daylight following a snow or ice event.

Local Ordinance #44-84 states that no person shall place, cause to be placed, or permit to be placed, any snow or ice upon any street, road or sidewalk within the township in any manner that will obstruct or impede vehicular or pedestrian traffic, or block any access to any street, road or sidewalk.

Please note that neither residents, nor private contractors, are permitted to push snow from their property into or across the street.

Clear the Hydrants After Snow Events

The Fire Department asks all residents to clear the fire hydrants after snow storms. Please check for your nearest hydrant, even if it is not on your property, and shovel it out. Fire hydrants that are not cleared are hard to find, and difficult to operate. Your effort saves firefighters valuable time in an emergency and could save a life.

A Letter from the Superintendent

At the beginning of the school year our staff gathered to listen to educational neuroscience, trauma, and adversity expert, Dr. Lori Desautels. While the wellness of our community has always been our highest priority, now more than ever we are taking additional measures to ensure the wellbeing of our learning community. In addition to Dr. Desautel’s presentation, she connected with, and will continue to connect with, our staff. Her ongoing discussion will focus on how applied educational neuroscience can help educators meet students where they are. By better understanding the developing brains of children, we will continue to provide additional wellness opportunities for our school community.

Our staff annual Day of Wellness focused on the impact of stress and trauma on the brain. Multiple sessions were offered to provide strategies that can help educators support the mental and physical needs of every child. The district, in anticipation of future federal grant funding opportunities, also hired a Thrive Alliance Clinician who is being shared by all elementary schools. Our clinician provides custom, school-based mental health services that address the particular needs of students. We have had a partnership with Thrive Alliance Group for several years with a full-time dedicated professional already in place at RHS and RMS. In addition, District Supervisor of School Counseling

and psychologist Colleen Huguenin has also had a transformative impact on Randolph’s mental health programs, which includes the district’s Overcoming Anxiety Student Independence Support (OASIS) program. Her extensive experience will continue to enhance the mental, social and emotional resources we provide students.

We recognize that students will always need additional social, emotional and psychological support. As a learning community, our commitment to address these needs head-on will ensure every child receives necessary care. The examples shared are just a few of the many ways we are working hard to improve the wellness opportunities provided to our Randolph students.

As we enter the new year, it’s important that wellness, social and emotional health continue to be a top priority. Our students cannot excel without the proper supports in place, and we will continue to go above and beyond to provide exceptional care. As a community, I hope everyone will take the time to also practice self-care and prioritize mental health. Let’s make 2022 an additional year of healing for our community as we embark on another great year.

Sincerely,
Jennifer Fano

Randolph Police News

Randolph Township Police Department Receives FBI-LEEDA Trilogy Award

On October 7th, representatives of the Randolph Township Police Department were presented with the prestigious FBI-LEEDA Agency Trilogy Award.

Presented by Mark Clark, the FBI-LEEDA Chief of Operations, the award recognizes the police department's commitment to achieving and maintaining the highest levels of professional development in leadership and management, and their dedication to strive to preserve an outstanding quality of life to the

communities in which they serve. The award was presented to the Randolph Township Police Department in recognition of the department's entire command staff having completed the FBI-LEEDA Trilogy Leadership series of training institutes.

The Randolph Township Police Department is the 23rd police agency in the country, and only the third agency in the state of New Jersey, to receive the award. In attendance at the presentation were Mayor Mark Forstenhausler, Township Manager Steve Mountain, and members of the Township Council. Chief Will Harzula, Detective Lieutenant Keith Donovan, Sergeant Frank Mygas, and Sergeant Kurt Edelman accepted the award on behalf of the Randolph Township Police Department.

The Randolph Police Support Services Unit and the Community

The Randolph Police Department's Support Services Unit participates in numerous community events throughout the township. The unit, which consists of Sergeant Matthew Rispoli, Patrolman Richard Biase, and Patrolman Michael Shoudy, participated at the Country Fair in September and the Trunk or Treat event in October. They also represented the police department during "Mission Gratitude" at Pediatric Dental Associates of Randolph and the "Touch A Truck" event at Gottesman RTW Academy. In addition, the officers participated in various activities with the children at the YMCA.

Working in conjunction with the Municipal Alliance Committee (MAC), they helped coordinate the Addicted to Social Media program presented for students at Randolph High School and Randolph Middle School. A separate presentation was done for parents at the high school and live streamed on YouTube. Currently, the Support Services Unit is working with the Randolph High School staff to help educate students on police interactions.

Randolph Rescue Squad

The RRS Family: Dedicated and Durable

Now and then, recalling the Past inspires us to examine the Present. For people around the world and here in Randolph, recent years have been clouded with turmoil, worries and insecurities for our residents, businesses, schools, volunteers, health care workers, municipal employees, and township officials. Thankfully, we have helped each other, one day at a time. More than ever, we have depended upon our friends, neighbors, and family members.

Our Randolph Rescue Squad family looks ahead to a positive Future. Our membership has increased. We have actual family members within our Squad family! They are sibling members, parent and child members, husband and wife members, and an entire family of father, mother, and their three children. As a Squad we admire and respect these colleagues. Such full commitment to volunteer service is rare and most appreciated. JOIN US!!

Have you seen ambulance #32-93? Randolph's Township Council members and Manager Steve Mountain made it possible for the Squad to

acquire this newly refurbished ambulance. The third quarter of 2021 was busy with 209 health emergency calls, as well as several stand-bys and transports. The next blood donation drive is scheduled for December 30th. RRS life member Michele Dempsey is the coordinator who urges you to make an appointment and become a donor! Not everyone is medically able to give life-saving blood. If you can, become a steady donor – another example of how the Past has motivated us in the Present to be vigilant on behalf of ourselves, family, friends, and the entire Randolph community.

Most importantly, the RRS team is grateful for your financial donations. Your generosity enables us to provide quality, free-of-charge care. Plus, the long-planned renovations at RRS Headquarters on Route 10 West are now in-progress. In the Past, the Present, and the Future, we value and put our trust in our Squad companions, our friends, our neighbors, our fellow volunteers, our local businesses, and our family members – the whole Randolph Family.

Contact us:

- ✓ Dial 9-1-1 in an emergency. Provide a clear explanation of location and the emergency. Provide a list of the patient's medications.

Randolph Pays Tribute to Community's Hometown Heroes

On Saturday, October 9th, Randolph Township VFW Post 7333 hosted the inaugural Hometown Heroes Banners Dedication in Veterans Community

Park. Attendees filled the pavilion for a heartfelt ceremony presented by local and county dignitaries honoring those who have served, are currently serving, or have given their life in service in the United States Armed Forces. A total of fifteen veterans received banner dedications on light poles throughout the park.

Applications for 2022 honorees are now available on the township website, randolphnj.org/pdf/2022_hometown_heroes.pdf. Completed forms can be emailed to Bill Menzel at menzel10@aol.com. For more information on the dedication ceremony, visit randolphnj.org.

Parks, Recreation and Community Services

SPECIAL EVENTS

Unless otherwise noted, registration begins in January and the location is the Community Center at 30 Calais Road.

January 25, 2022 – Register Now!
Canning Talk with Daryl Minch
7:00 - 8:30 p.m.

Want to preserve locally grown produce or love the taste of homemade jam? Learn the best methods to can foods for fruits, vegetables, pickles, jams & jellies, and more. Daryl Minch, Family & Community Health Sciences Educator, Rutgers Cooperative Extension, will discuss equipment, techniques, recipes, and why safety is critical. \$10 per person.

February 11, 2022
Thor in Pop Culture
6:00 - 7:00 p.m.

This interactive presentation delves into the mythological roots of modern representations and adaptations of Norse Mythology, centering particularly upon Thor, God of Thunder. After a brief introduction, several defining tales about Thor will be told and then connected and compared to modern representations in popular culture, including, but not limited to, the recent Marvel film adaptations. \$10 per person.

February 19, 2022

Pet CPR

11:00 a.m. - 2:30 p.m.

Class includes: Canine/Feline CPR and First Aid Manual e-book, an official certificate, and a 2-year membership to Pet Emergency Education virtual resource center. \$75 if registered before January 15th; \$80 starting on the 16th.

March 5, 2022

Mardi Gras Dinner

6:00 – 9:00 p.m.

Enjoy a three-course New Orleans themed meal with a live DJ. Cost and menu TBD.

March 18, 2022

Soap Making Class

7:00 - 8:30 p.m.

Gather your friends or a date for a fun night out crafting handmade natural soap. No experience necessary and all materials are provided to craft two bars of soap with guidance from a certified soap artisan. Cost: TBD.

March 26, 2022

Murder on the Titanic

7:00 - 9:30 p.m.

Enjoy the mystery dessert bag, waltz to the music, but stay alert... rumor has it that one of the passengers is harboring a dark secret and may go as far as murder to keep the truth from being known. Can you solve this century-old mystery before it is too late? \$35 per person (includes mystery dessert bag and show).

April 1, 2022

Registration Starts in February

Chocolate Tasting Workshop

7:00 - 8:30 p.m.

Take a journey with renowned chocolatier Michael Canzano of J. Emanuel Chocolatier as he discusses chocolate origins, health benefits, myth busting facts, and how he works with chocolate to create confections. During the lecture enjoy tasting a variety of chocolates and special treats from his shop in Chester, NJ. \$15 per person.

Registration Starts in February

Bike Rodeo at Veterans Community Park

3:00 – 5:00 p.m.

Learn about bike safety from our friendly local police officers before your child navigates several obstacles. While waiting for their turn, a face painter will make things even more fun. There will be a raffle followed by a grand bike parade at 4:45 p.m. Choose a desired slot on Community Pass. FREE.

April 10, 2022

Registration Starts in March

Easter Egg Hunt (Location TBD)

9:00 a.m. – 1:00 p.m. (Time Slots Available)

Children, Ages 2-10

Bring your own basket and hunt for eggs. Limit to ten per child. Take photos with the Easter Bunny. Enjoy bagels, fruit, assorted pastries, and drinks. FREE.

For more information on upcoming events and registration, scan the QR Code:

StoryWalk® Comes to Randolph!

Randolph residents have something new and exciting to enjoy following the opening of the new StoryWalk® on the path between Veterans Community Park and Doby Road. This project to bring books to the great outdoors is a collaborative effort between the Randolph Township Library and the Randolph Township Department of Parks, Recreation and Community Services.

What is a StoryWalk®?

A StoryWalk® is an innovative approach to encourage people of all ages to get out and walk while reading a wonderful children's picture book. Pages of the book are displayed along the path inviting families, children and others to read the pages as they walk along. StoryWalks® have been installed in all fifty states and thirteen other countries.

Where is our StoryWalk®?

Our StoryWalk® begins in Veterans Community Park located on Calais Road and can be accessed from the path near the Community Garden or the path that goes past the pickleball courts. The display continues along the path to Doby Road where you turn around to read the remaining display units on the way back.

When can you visit the StoryWalk®?

This is a permanent installation to be enjoyed while the park is open.

We invite you to return often to discover new books the librarians have selected. The library will announce new titles on its website (randolphnj.org/library), Facebook page, Twitter and the library's weekly email newsletter which you can sign up for on their website.

The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library. StoryWalk® is a registered service mark owned by Ms. Ferguson

Brundage Park Playhouse

For information on upcoming performances or to purchase tickets online, please visit brundageparkplayhouse.org and the Brundage Park Playhouse Facebook page.

OLIVER!

Book, Music and Lyrics by Lionel Bart
Directed by Mark Carovale

February 11, 12, 18, 19, 25, 26 at 7:00 p.m.
February 13 and 20 at 2:00 p.m.

The award-winning musical adaptation of the classic Dickens novel springs to life with some of the most memorable characters and songs ever to grace the stage.

JOSEPH AND THE AMAZING TECHNICOLOR DREAMCOAT

Lyrics by Tim Rice
Music by Andrew Lloyd Webber
Directed by Larry Turner

April 15, 16, 22, 23, 29, 30 at 7:00 p.m.
April 17 and 24 at 2:00 p.m.

Sha la la Joseph you're doing fine! One of the most enduring shows of all time, this is a reimagining of the Biblical story of Joseph, his father Jacob, eleven brothers and the coat of many colors.

Artworks Studio

Located at 502 Millbrook Ave (next to the municipal building). **Fine arts instruction for ages 3-1/2 years through adult**

Come out and connect with others this winter season—try an art class or workshop! Art helps relieve stress, problem solve, develop fine motor skills & creative thinking, and build self confidence. Current students are having a great time back in the studio exploring their creativity and learning new skills. .

Winter 2022 Classes

Registration is open NOW for classes starting January 3rd.

Mixed Media Painting

Adults 18 and up

Young Artists	3-1/2 to K
Art Exploration I	K-grade 4
Art Exploration II	Grade 4-8
Drawing & Painting	Grade 4-8
Drawing from Nature	Grade 4-12

There are upcoming workshops for all ages in acrylic painting, watercolor, character design, needle felting, and knitting. Check out our full schedule and workshops on the township website or by calling the recreation department at 973-989-7081.

Library Programs

Unless otherwise noted, registration is required. Register online or by calling 973-895-3556. For more information on programs and potential changes, visit randolphnj.org/library.

Children’s programs that require registration are open to Randolph residents, children who are full-time attendees of schools located in Randolph, and children of parents who work in Randolph. Residents may register for children’s programs one week before the program; non-residents may register one day before a program if space is available. Masks are required for all except children aged two and under.

Randolph Township Recycling Guidelines

Recyclables must be placed curbside no later than 6:00 a.m., ideally they should be put out the night before collection. Recyclables must be placed in reusable containers, NOT in plastic bags. In the event of inclement weather, please visit randolphnj.org or call the Health Department at 973-989-7050 to determine if curbside collection has been canceled.

Changes to Acceptable Recycling Items Beginning 2022

Due to restrictions and changing recycling market requirements, the Morris County Municipal Utilities Authority (MCMUA) has implemented changes to some items previously accepted for recycling. The specific items listed below are not acceptable:

- Plastic bags and plastic film. Many supermarkets provide bins for collection of plastic bags for recycling. Also, recyclables should never be placed in plastic bags.
- Shredded paper. Residents should take advantage of the biannual shredding program.
- Aerosol cans, pressurized cans and paint cans.
- Pizza boxes.

Acceptable recycling materials for curbside collection

ALL of these items can be placed together in ONE container:	ACCEPTABLE – All must be empty, free of food debris, and rinsed
Household Plastic Containers	Plastic containers numbered 1, 2, & 5 , juice boxes and other wax coated beverage cartons.
Aluminum & Metal Cans	Aluminum foil wrap, foil trays, and foil juice pouches. Includes aluminum, tin and steel food cans.
Glass Bottles & Jars	Clear, green/blue & brown beverage and food containers.
Newspapers, Magazines, Catalogs, Books, and Phonebooks	Includes ads, inserts, postcards, hard cover, soft cover, and miscellaneous paper.
Cardboard (corrugated/chip board)	All corrugated paper materials, chipboard: cereal boxes, gift boxes, scrap paper, egg cartons, paper cups, paper tubes, and wrapping paper.
Mixed Office Paper	Includes mail, envelopes, copy paper, office paper, and greeting cards.

These items should NOT be included in single stream recycling:	✓ Plastic bags	✓ Scrap metal	✓ Plastics numbered 3, 4, 6 & 7	✓ Paint, paint or aerosol cans, pesticides, or oil
	✓ Shredded Paper	✓ Household Batteries	✓ Styrofoam	✓ Plastic CD cases
	✓ Food or yard waste	✓ Fabrics or clothing	✓ Electronics	✓ Waxed paper or waxed cardboard
	✓ Syringes	✓ VHS/VCR tapes	✓ Window panes or mirrors	
	✓ Ceramics or dishware	✓ PVC	✓ Light bulbs	
	✓ Drinking glasses		✓ Bio-hazardous waste	

Acceptable items to be dropped off at the Recycling Center

These items may be dropped off at the Recycling Center for no fee, or call the Health Department to arrange for curbside pickup (a fee may be charged). If you have questions about whether an item is acceptable, please call the Health Department.

RECYCLABLE ITEM	ACCEPTABLE
Electronic Waste	Televisions, computers, laptops, monitors, computer peripherals such as keyboards and mice, fax machines, VCRs and radios.
White Goods/Appliances/Metal	Large household appliances: stoves, refrigerators, washers, dryers, dishwashers, etc. Metal includes lawn chair frames and filing cabinets.
Grass Clippings	Available seasonally.
Brush/Tree Branches	Basic yard debris. Maximum acceptable branch size is 4 feet in length by 4 inches in diameter. (No stumps)
Christmas Trees	Trees must be bare, with no stands, plastic bags, ornaments, lights, tinsel, etc. (Trees put out after January 10th WILL NOT be picked up by the township. Trees can be dropped off any time during normal working hours at the Recycling Center)
Leaves	Fall curbside collection per Department of Public Works schedule.
Tires – automobile, truck, and bike tires	Up to four tires. Remove steel rims which also can be recycled with metal.

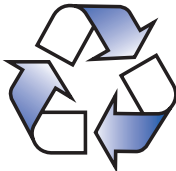

THIS INFORMATION WAS REVISED October 2021
